Disclaimer
This catalog contains policies, regulations, procedures, and general course content effective at the time of publication. Texas Southmost College reserves the right to make changes at any time to reflect current Board policies, administrative regulations and procedures, and applicable state and federal regulations. Changes will become effective whenever enacted by the Texas Southmost College administration and will apply to both prospective students and those already enrolled.

This catalog and the student handbook are the primary sources available to students outlining the responsibilities of the college and student, and each student is responsible for knowing the rules, regulations, requirements, and academic policies of Texas Southmost College. Both publications are available on the Texas Southmost College web site or in hard copy from the Office of Admissions and Records.

Accreditation
The University of Texas at Brownsville - Texas Southmost College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificate, associate, baccalaureate, masters, and doctorate degrees.

Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of The University of Texas at Brownsville/Texas Southmost College.

President’s Welcome
Welcome to the Texas Southmost College! We are excited and ready to help you begin your journey to a bright and successful future!

At TSC, you will receive a quality education at a value. Our services and programs come in numerous forms, providing options for two-year degrees, specialized job training, transfer to four-year institutions, and lifetime enrichment.

You will get the same first two years of a Bachelor’s education available at a university. You will gain the knowledge and skills you need to succeed—while saving thousands of dollars! And, with smaller classes, you’ll get more support along the way.

You’ll also have the flexibility to take classes during the day or evening to accommodate your busy schedule. Then, when you’re finished, you’ll be ready to go straight into a high-skill, high-wage job or transfer to a four-year university as a junior.

We are passionate about helping you succeed! Register today! Experience the power of opportunity, seize it, and transform your life!

I hope to see you on campus!

Lily F. Tercero
President
**Board of Trustees**

**Francisco Rendon - Chair**  
Elected to Board: 2010, Term Expires: 2016, At-Large-Position: Place 5  

Francisco G. Rendon is a native of Brownsville; he graduated from St. Joseph Academy and went on to earn his Bachelors of Science degree from Texas A&M College Station, taking summer classes at Texas Southmost College along the way. Francisco holds a Master’s in Engineering degree from Texas A&M College Station and is currently pursuing his Ph.D. in Leadership Studies through Our Lady of the Lake University, San Antonio.

Francisco is married to Krista and has four children, Jagger 15, Nicholas 4, Hunter 2, and Zarah 1. Francisco is also a member of the board of the Brownsville Literacy Center.

**Juan Mendez III, J.D. - Vice-Chair**  
Elected to Board: 2010, Term Expires: 2016, At-Large-Position: Place 4  

Juan "Trey" Mendez III was born and raised in Brownsville. He received his Bachelor of Arts in Government degree from UTB-TSC in 2002. While at UTB-TSC, he was an inaugural member of the Scorpion golf team and served as sports editor of The Collegian, the student newspaper. He went on to receive his law degree from The University of Texas at Austin in 2005. At the time of his acceptance to the UT School of Law in 2002, Mendez was only the second UTB-TSC alumnus to have been accepted into the prestigious program. During his three years in Austin, Mendez was instrumental in encouraging other UTB-TSC students to attend the law school.

Mendez has served on the Texas Exes Scholarship Committee at The University of Texas at Austin since 2006. He enjoys renovating historical properties and is the co-owner of the Fernandez building and the Old Brownsville Jail, two of Brownsville’s most important historical structures. His passion for Brownsville’s rich history resulted in his appointment as Chairman of the Brownsville Heritage Council. Mendez currently has his own law practice known as the Mendez Law Firm on Elizabeth Street.

**Ed Rivera - Secretary**  
Elected to Board: 2014, Term Expires: 2016, At-Large-Position: Place 3  

Edward Rivera, Trustee, was appointed by the TSC Board in January 2014. Ed Rivera has 35 years of experience in manufacturing, finance, sales, marketing, and business development with companies such as Shell Chemical, Union Carbide, Amoco Chemical, and Nypro, Inc. As such, he has extensive knowledge of the petrochemical value chain. At present he is Director of Sales for Nypro Packaging based out of Clinton, MA.

Born in Brownsville, Texas, he holds a Bachelor's degree in Chemical Engineering from the University of Houston and a Master's in Business Administration from Harvard University. At the community level, Mr. Rivera was formally President of the Laguna Vista, TX Community Development Corporation and board member of the American Marine Institute, RGV chapter. At present he is a board member of The University of Texas-Pan American Foundation; Brownsville Museum of Fine Arts; South Padre Island Golf Course Home Owners Association, The Harbor; RGV Lead Advisory Board; and Hooked for Life Advisory Board. Mr. Rivera has two daughters and resides in Laguna Vista, TX. He enjoys golf, running, road biking, skiing, and scuba diving and is a private pilot pursuing an IFR rating. Mr. Rivera, appointed by the Board due to a resignation, will serve until the next board election, May 2014.
Reynaldo García, DDS - Trustee  
Elected to Board: 2012, Term Expires: 2018, At-Large-Position: Place 6

Dr. Reynaldo Garcia is a retired Dentist and proud Brownsville native. He attended Texas Southmost College from 1955-1957, completed his pre-dental requirements at Del Mar College in Corpus Christi and North Texas State University, and graduated with a doctorate in dental surgery from the University of Texas Dental Branch at Houston in 1961. Dr. Garcia practiced dentistry for 45 years and also served 9 years in the US Air Force as a Major. He has been married to Angelika for 37 years.

Adela Garza - Trustee  
Elected to Board: 2014, Term Expires: 2020, At-Large-Position: Place 1

Adela Garza was elected to the TSC Board of Trustees in June 2008. She grew up in Laredo and later moved with her husband to the Lower Rio Grande Valley, where they raised their family. Garza attended TSC in the 1980s and received a Bachelor of Arts and Sciences degree from The University of Texas-Pan American in 1987. Her professional life includes six years as a senior education consultant for Wasatch Education, and she is co-owner of Tino's Prescription Shop and vice president of TIADEL Corp. Systems. Garza was on the board of Los Fresnos Consolidated Independent School District from 1999-2003, where she was board president in 2001-2003. She has been on several committees and councils at Los Fresnos ISD and has sat on boards including International Education Services, Sunshine Haven, Olmito Irrigation District No. 20 and Healthy Communities of Brownsville.

Garza currently serves on the board of directors of the Alternative South Texas Educator Program (ASTEP) and the Building Committee for Lord of Divine Mercy Catholic Church. Garza and her husband of 32 years, Faustino, have four children and two grandchildren. Their youngest daughter is a sophomore at UTB-TSC.

Ramon Champion Hinojosa - Trustee  
Elected to Board: 2012, Term Expires: 2018, At-Large-Position: Place 7

Mr. Hinojosa is a retired school superintendent. He holds a Bachelor of Arts in English and Government degree from St. Mary's University, and a Master's in Education degree from Texas A&I University in Kingsville. Mr. Hinojosa has spent 35 years in education as an elementary, middle and high school teacher, assistant superintendent, and superintendent. He also directed federal, bilingual education and parental involvement programs.

Art Rendon - Trustee  
Elected to Board: 2014, Term Expires: 2020, At-Large-Position: Place 2

Art Rendon resides in Brownsville, Texas. He holds a bachelor's degree in government with a minor in history from Pan American University and a master's degree in educational administration from the University of Texas-Brownsville. He is a veteran, having served in the United States Marine Corps.

Mr. Rendon has been employed by the Brownsville Independent School District for over 25 years and has experience as a high school teacher, assistant principal, and principal. He also served as the former director for special education. He currently serves as the transportation director for Brownsville ISD. Mr. Rendon served on the West Brownsville Little League Board for a number of years and recently served on the Brownsville Housing Authority Board.

He and his wife Nora are members of Saint Joseph Catholic Church. Mr. Rendon has been married to Nora Benavides Rendon, a retired BISD librarian for 31 years, and they have three children: Benny, Nora and Aaron. All their children began their college work at TSC and are graduates of the University of the Incarnate Word.
History of Texas Southmost College

Originally created as an extension of the local independent school district in Brownsville, Texas, its first classes were held in the fall of 1926 in the local high school building. In 1927, the school district issued bonds for the construction of a new building to house the high school and the junior college. In 1931, the college name was changed to the Brownsville Junior College. In 1948, the U.S. Government conveyed Fort Brown, the first military post established by the U.S. Government in Texas, to the College, where the main campus is today.

Voters approved the creation of the Southmost Union Junior College District (empowered to levy ad valorem taxes), as well as a Board of Trustees, at an election held on November 15, 1949, to operate a junior college to be known as Texas Southmost. The Southmost Union Junior College District Board of Trustees changed the name of the District to Texas Southmost College in 2004. During the 82nd Regular Session of the Texas Legislature, SB 1909, included language changing the college district’s name from the Southmost Union College District to Texas Southmost College District.

While originally established as an academic program institution, after World War II and throughout the 1950s, the college began to add and expand vocational and occupational program offerings. In 1973, Texas Southmost College offered space on its campus so that a local four-year extension program through Pan American University could be established. The new entity, which was named Pan American University-Brownsville, began classes in fall 1973. In the late 1980s, Pan American University joined The University of Texas System and its institution in Brownsville became known as The University of Texas Pan American-Brownsville.

In 1986, the voters of the Texas Southmost College taxing district approved a $13 million bond issue to construct a classroom building, a library, and other campus improvements.

In May 1991, the Texas Legislature created The University of Texas at Brownsville (UTB) as an upper-division university, to replace The University of Texas Pan American-Brownsville, and authorized it to enter into an agreement with Texas Southmost College to teach courses not offered at the university. This resulted in the creation of a new umbrella entity for the two institutions officially formulated as "The University of Texas at Brownsville-Texas Southmost College Agreement." Under the agreement, the Texas Southmost College Board of Trustees contracted with The University of Texas System to deliver all academic programs and services, previously offered by TSC, utilizing TSC’s existing campus and facilities. In turn, TSC would pay the UTB for delivery of such programs and services by transferring all TSC-related tuition, fees, program income, and state appropriations funding to the UTB. The UTB was defined as the operating entity and several agreements were established, including those relating to the leasing of TSC buildings to the UTB, personnel, programs, and services. Hence, students of both higher education institutions were brought under a single entity: "The UTB-TSC Agreement."

In December 1995, The Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) approved the consolidation of UTB and TSC to form the new entity, the University of Texas at Brownsville Texas Southmost College Agreement. In December 2008, UTB-TSC was granted reaffirmation by SACSCOC. The UTB-TSC Agreement has been governed by the nine-member Board of Regents of the UT System since 1991. The Texas Southmost College Board of Trustees, however, remained intact and continued as a seven-member board elected at large from the ad valorem taxing district of the College. The TSC Board of Trustees retained its authority to levy and collect taxes, manage the assets of the College and monitor performance under the UTB-TSC Agreement. A separate administrative office to support the Board of Trustees was maintained by TSC throughout the term of the UTB-TSC Agreement.
The University of Texas at Brownsville was defined as the operating entity of the UTB-TSC Agreement. Its president served as the president of UTB-TSC, with reporting responsibilities to The University of Texas System Board of Regents and the TSC Board of Trustees. Additionally, when the agreement was consummated, TSC employees ended employment with TSC and became UTB employees. Thus, the UTB employed all faculty and staff throughout the term of the UTB-TSC Agreement. The UTB also became the reservoir of data.

On November 2, 2004, voters in the Texas Southmost College taxing district approved a $68 million dollar bond package for TSC building projects, including the Arts Center, under the oversight of the UTB-TSC Agreement.

On November 10, 2010, the Board of Regents of the University of Texas System voted to terminate the UTB-TSC Agreement. On February 17, 2011, the Texas Southmost College Board of Trustees voted to develop a model and create legislation whereby TSC would partner with the UT System for use of campus resources and facilities while having two (2) autonomous institutions: Texas Southmost College and the University of Texas at Brownsville. Efforts to develop a model favoring independent operation and governance resulted in the creation of enabling legislation approved by the 83rd Texas Legislature, which provided for the termination of the existing UTB-TSC Agreement on or before August 31, 2015, dependent upon the accreditation of Texas Southmost College.

In October 2011, the Board of Trustees of the Texas Southmost College appointed Dr. Lily F. Tercero to serve as TSC’s next president. Her initial, primary assignments were to manage the activities related to termination of the UTB-TSC Agreement and to re-launch Texas Southmost College as an autonomous degree granting public community college. TSC continues to work with the UT System Board of Regents, the governing body of the UTB-TSC Agreement.
Texas Southmost College Strategic Plan

Vision Statement
Texas Southmost College will be a premier community college dedicated to student success.

Mission Statement
Transforming our communities through innovative learning opportunities

Role and Scope
Texas Southmost College’s mission is guided by our commitment to provide:

- University transfer, career, and technical programs leading to an associate degree or certificate along with courses specializing in college preparatory and developmental education, workforce training, adult literacy, and continuing education to support the evolving needs of citizens, industry, and economic development initiatives within Cameron and Willacy Counties.

- High-quality instruction and learning opportunities in the classroom, online, and through other delivery methods; a supportive and innovative faculty and staff; appropriate technology, equipment, and learning resources; and advising and assessment services to promote transfer to a four-year baccalaureate institution, entry or advancement in the workforce, or lifelong learning.

- A learning-centered, service-oriented environment that celebrates diversity and inclusion; facilitates growth and development; fosters social responsibility, critical thinking, communication, and innovation; and empowers and engages students, faculty and staff to achieve personal and professional goals.

- Institutional effectiveness that embraces individual accountability, data-driven decision making, change, and an unending pursuit of excellence.

Values
To successfully fulfill the vision and mission, Texas Southmost College is consciously committed to:

- Integrity by respecting the ideals of social responsibility, academic honesty, trustworthiness, personal ethics, and the courage to act.

- Access by reaching out to our diverse communities, expanding linkages with industry, and strengthening our partnerships with area ISDs and universities to create accessible and affordable educational pathways for our students, faculty and staff.

- Service by encouraging and recognizing collaboration, teamwork, compassion, and service to others.

- Excellence by providing relevant, high-quality educational experiences and a supportive learning environment to advance knowledge, to promote understanding and to achieve the academic and workforce potential of students, faculty and staff.

- Innovation by embracing emerging technologies to enhance and expand teaching, learning and service opportunities for students, faculty and staff.

- Success by empowering, engaging and educating students, faculty and staff to achieve their personal and professional aspirations for graduation, academic transfer, employment, and other educational goals.
Institutional Goals
In response to the region’s challenges and to achieve this vision and mission, TSC’s institutional goals will revolve around four priorities and supporting strategies between 2012 and 2017:

1. Pathways
   Provide accessible, affordable, and flexible instructional delivery systems and dynamic curricula to all students, regardless of time or place, by enhancing career and technical programs that are responsive to the training needs of industry and a highly skilled workforce and by collaborating with internal and external stakeholders to improve college readiness, define outcomes, and promote multiple paths to student access, completion and success.
   **Supporting Strategies:**
   1.1 Systematically assess student learning outcomes.
   1.2 Align college preparatory programs with academic and technical programs.
   1.3 Create pathways between secondary, TSC and four-year institutions of higher education.
   1.4 Provide affordable and accessible learning opportunities that meet the needs of the 21st century workforce.

2. Success
   Promote academic excellence and student learning through high-quality, learning-centered instruction and support services with a continuous focus on improving student learning outcomes that reflect the highest academic standards and that meet the needs of our communities and industry partners.
   **Supporting Strategies:**
   2.1 Improve student retention rates.
   2.2 Adopt high academic standards.
   2.3 Measure success through employment rates.
   2.4 Align all courses, programs, and units to institutional goals and outcomes.

3. Community Engagement
   Establish mutually beneficial public, private and community-based partnerships to expand awareness, leverage resources, and promote services and programs of the College that meet the needs of the communities in which the College serves.
   **Supporting Strategies:**
   3.1 Incorporate service learning experiences across the institution.
   3.2 Establish partnerships with public and private community agencies.
   3.3 Develop programs that meet the needs of the community.
   3.4 Integrate wellness initiatives with community partnerships.

4. Institutional Effectiveness
   Enhance student success by focusing on continuous improvement that is grounded on evidence-based initiatives, strategies, and processes; student, faculty and staff engagement in teaching and learning outcomes; professional development; an integrated systems approach to facilitate efficient use of college resources through fiscally sound practices; and collaboration with and service to the communities in which the College serves.
   **Supporting Strategies:**
   4.1 Assure compliance with accrediting agencies.
   4.2 Provide professional growth opportunities for faculty and staff.
   4.3 Assess program effectiveness.
   4.4 Organize and utilize an on-going cycle of strategic planning to support continuous improvement.

Notice to Students
All questions concerning the following College policies should be referred to the Vice president of student services.

Statement of Equal Opportunity
No person shall be excluded from participation in, denied the benefits of, or be subject to discrimination under any program or activity sponsored or conducted by Texas Southmost College on the basis of race, color, sex, national origin, religion, disability, age, or military status.

Rights of Individuals with Disabilities
Texas Southmost College complies with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990 and does not discriminate on the basis of a disability in the operation of its educational programs or in its admission and employment practices. Special emphasis will continue to be placed on correcting conditions, which may inadvertently discriminate against any individual with a disability.

Statement on Alcoholic Beverages, Tobacco and other Substances
Texas Southmost College forbids the manufacture, possession, sale, use, or distribution of illegal drugs and alcoholic beverages on campus and at College sponsored events, whether they occur on or off campus. Students who are found in violation will face disciplinary action, up to and including dismissal from the College. Alcohol may be permitted at certain College-sponsored events with appropriate approval from College administration.

Statement on Firearms
In accordance with the Texas Penal Code, Section 46.03, no person may carry a firearm (1) on the physical premises of Texas Southmost College, (2) on any grounds or building on which an activity sponsored by Texas Southmost College is being conducted, (3) in a passenger transportation vehicle of Texas Southmost College; unless pursuant to written regulations or written authorization of the institution. Individuals found in violation will face appropriate law enforcement action/penalty as well as disciplinary action by Texas Southmost College.

Sexual Harassment Policy
Sexual harassment in the workplace and schools is an illegal Practice under Section 703 of Title VII of the 1964 Civil Rights Act as amended, and Title IX of the Education Amendments of 1972. Sexual harassment of employees or students at Texas Southmost College will not be tolerated and individuals engaging in such conduct shall be subject to appropriate disciplinary action, up to and including dismissal from the College. This policy shall be applied without regard to the gender of the employee involved.

Smoke and Tobacco Free Environment
Texas Southmost College, including all its facilities and grounds, is a smoke and tobacco free environment. Smoking and/or using tobacco products is prohibited in all classrooms, laboratories, offices, conference rooms, hallways, parking lots, and all other rooms in all buildings of Texas Southmost College and on all property that is owned, leased, rented, or otherwise under the control of Texas Southmost College. Law enforcement officers will issue a citation to those in violation of the policy and repeated violations may result in appropriate disciplinary action by Texas Southmost College.

Religious Holy Days
In compliance with Texas Education Code, Section 51.911, Texas Southmost College allows a student who is absent from class for the observance of a religious holy day to make up the class work for that day within a reasonable time after the absence. Students who intend to be absent for religious holy days must notify each instructor in writing by the 15th calendar day of the semester.
**Gainful Employment**
Federal Title IV regulations require all institutions of higher education to disclose completion and cost information about non-degree programs leading to gainful employment in a recognized occupation. Information about gainful employment programs is available at http://tsc.edu/index.php/academics/degrees-and-certificates.html.

**Students Subject to Additional Tuition and Fees**
Texas Southmost College is required by law to inform students that charges may be instituted by TSC and/or may be incurred when attending other Texas colleges and universities.

**Additional Charges for Students Who Exceed 27 Developmental Semester Credit Hours**
Texas Southmost College will charge a higher tuition rate to students registering for college preparatory (developmental education) courses who have accumulated at least 27 hours of credit in developmental education courses.

**Three-Peat (Third-Attempt) Enrollment Ruling**
Texas Southmost College will charge a higher tuition rate to students registering the third (3) or subsequent time for a course. The State will no longer subsidize a student’s enrollment for the third (3) or subsequent attempt. Students should meet with an advisor to determine if they are repeating a course for the third (3) time.

**Records and the Annual FERPA Notification to Students**
The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.
Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, participation in officially recognized activities, photography, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

For additional information, individuals may call 1-800-USA-LEARN (1-800-872-5327) (voice). Individuals who use TDD may use the Federal Relay Service at http://www2.ed.gov/about/contacts/gen/index.html.

Or contact at the following address:

Family Policy Compliance Office
U.S. Department of Education

Washington, D.C. 20202-8520

Student Right to Know-Graduation Statistics
Federal law requires that all institutions of higher education disclose graduation rates to students, applicants and potential students. Graduation rates for TSC can be provided upon request to the Office of the Vice President of Student Services.

Student Right to Know-Crime Statistics
The TSC Security Annual Report can be provided upon request to the Office of the Vice President of Finance & Administration.

The American Opportunity Tax Credit
Students may be eligible to claim an American Opportunity Tax Credit (AOC) against their federal income taxes. The AOC may be claimed for the qualified tuition and related expenses of students enrolled at least half time in one of the first two years of postsecondary education when enrolled in a program leading to a degree, certificate or other recognized educational credential. Eligible tuition and fees are determined by the IRS and will be offset by any grants, scholarships or refunds received. More information is available at www.irs.gov.

Lifetime Learning Credit
Students may be eligible to claim a Lifetime Learning Credit against their federal income taxes. The Lifetime Learning Credit may be claimed for the qualified tuition and related expenses of students enrolled in eligible educational institutions. If a student is claiming a Hope Credit, none of that student's expenses for that year may be applied toward the Lifetime Learning Credit. More information is available at www.irs.gov.

Selective Service
Almost all males 18 through 25 years of age living in the United States must register with the Selective Service. Almost all non-citizens also are required to register, including illegal aliens, legal permanent residents, and refugees. If a male non-citizen takes up residence in the United States prior to his 26th birthday, he must register. Additional information can be found at the Office of Veterans and Military Services.
Solomon Amendment
The Solomon Amendment allows military recruiters to request certain recruiting information from institutions about students. Such information is considered directory information under FERPA or data that would normally be collected by the institution. The 1995/1996 National Defense Authorization Act and the 1997 Omnibus Consolidated Appropriations Act gave branches of the military access to student information including student’s name, address, telephone number, age or date of birth, class, and major. The Solomon Amendment requires institutions to cooperate and comply with requests from military recruiters for student information.

General Regulations

Administrative Withdrawal
The College reserves the right to withdraw a student from class if, in the judgment of the College officials, such withdrawal is in the best interest of the student or the student body at large.

Change of Address
Students who change their home address or mailing address are expected to notify the College of this change immediately using TSC Online, or by contacting the Office of Admissions and Records. Documentation may be required.

Official Communications
A request that a student report to an administrative or faculty office may be made by letter, email or telephone. Failure to comply with such a request may result in disciplinary action. Each student is responsible for monitoring his/her TSC email account for official communications.

Communications to the entire student body are considered properly delivered when they are placed on official campus bulletin boards on TSC Online and/or on the TSC website. Each student is responsible for regularly checking the bulletin boards and websites.

Use of Legal Name
Students are required to provide their full legal name to the College. Students’ permanent records, including official transcripts, are required to identify students by their full legal name.

Use of Student ID Number
A student identification number is required to identify students’ permanent records. The automated student information system assigns a random number, called the Student ID, to every student. The Student ID is used for all internal printed materials and provides additional protection to students’ privacy. Students are urged to become familiar with their Student ID and to use it when communicating with College offices.

Students are requested to provide their Social Security Number to the College for maintenance of their student records. This number allows the College to meet federal and State reporting requirements, enables communication with financial aid providers and service agencies, allows reporting to IRS regarding eligibility for the American Opportunity Tax Credit and Lifetime Learning Credit, and substantially eases transfer of information between the College and other colleges and universities. Students who do not provide their Social Security Number risk loss of services and benefits and may encounter delays when transferring from or to other institutions. The College makes every effort to protect students’ Social Security Numbers from inappropriate disclosure. Questions about College use of the Social Security Number should be forwarded to the Office of Admissions and Records.
Access to Student Records
The Family Educational Rights and Privacy Act of 1974 (PL93-380), commonly referred to as FERPA, provides that all records pertaining to a student that are maintained by the College must be open to inspection by the student and may not be made available to any other person without the written authorization of the student. FERPA gives parents certain rights with respect to their children’s education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. A "student" is defined as a person who has registered and paid for one or more Undergraduate (UG) or Continuing Education (CE) courses and who remains enrolled through the official date of record for that term. The act allows but does not mandate the release of directory information. Under some circumstances, directory information may be released without the student’s written permission. Examples of these circumstances include:

1. For legitimate educational purposes within TSC
2. To officials at an institution in which the student seeks to enroll
3. To comply with a court order or subpoena
4. In connection with a health or safety emergency if necessary to protect the student and others
5. To parents of a student who is a dependent for income tax purposes
6. If it is directory information
7. To parents of a student younger than 21 years of age if the disclosure concerns discipline for violation of the campus drug and alcohol policy.

Discrimination Complaints
The College does not discriminate on the basis of race, color, sex, national origin, religion, disability, age, or military status

Any student who believes that he or she has been discriminated against by the institution or its personnel may informally discuss the complaint with the vice president of student services with the objective of reaching a reasonable solution. The vice president of student services shall advise the student of his or her options in the situation and notify the director of human resources.

If the aggrieved student believes the complaint has not been resolved at the informal discussion, he or she may submit a written complaint stating his or her name, the nature and date of the alleged violation, names of persons responsible (where known), names of any witnesses, and requested action within 30 working days of the date of the informal discussion, to the vice president of student services. The Vice president of student services shall ensure that the aggrieved student’s rights to appropriate due process procedures are honored. If a hearing is held, the vice president of student services shall conduct the hearing. If the final decision is not to the student’s satisfaction, he or she may appeal the decision to the Vice president of student services within ten working days of the receipt of the written decision.

Student Rights and Responsibilities
Texas Southmost College encourages the intellectual, personal, social and ethical development of members of the College community in an open and supportive environment that promotes honesty, integrity and respect for the rights of all individuals. Students at Texas Southmost College are encouraged to exercise personal responsibility and self-discipline as they engage in the rigors of discovery and scholarship. Texas Southmost College assumes that each student has an earnest educational purpose and possesses a level of maturity necessary to assume obligations of performance and behavior reasonably imposed by the College relevant to its lawful missions, processes, and functions.
Texas Southmost College recognizes that student success is a shared responsibility between the student and the College. Students attending Texas Southmost College are expected to accept and adhere to the following responsibilities:

1. Student attendance and participation is the key to academic success. Regular and punctual attendance in class and laboratories is expected of all students.

2. Students are expected to exercise personal responsibility and self-discipline as they engage in the rigors of discovery and scholarship. Inappropriate behavior may result in disciplinary action against the student.

3. Students attending Texas Southmost College are responsible for adhering to standards of academic integrity. Academic dishonesty may result in disciplinary action against the student.

In support of the rights of its students, Texas Southmost College is committed to:

1. A consistent and fair evaluation of student performance and an impartial process for grade appeals that allows students to appeal academic decisions or actions which they consider unjust or incorrect.

2. Ensuring that students are treated with fundamental fairness and personal dignity that includes an impartial process for students to appeal disciplinary sanctions imposed by the College or to file a complaint or grievance when they believe that they were unjustly or improperly treated by the College, College employees, or other students.

Detailed information regarding Texas Southmost College’s expectations for students is presented in the Student Code of Conduct. The Student Code of Conduct is an articulation of Texas Southmost College’s commitment to maintaining an environment that recognizes and supports the rights of its students and provides a guide for defining behaviors the College considers inappropriate.

**Student Code of Conduct**

Student rights and responsibilities are defined in the Student Code of Conduct in order to give general notice of conduct expectations, to identify sanctions which shall be imposed when misconduct occurs, and to ensure that students are treated with fundamental fairness and personal dignity.

The Student Code of Conduct is available in the Student Handbook and on the College web site.
Academic Calendar

Fall 2014 Semester

Final Exams
Admission
Texas Southmost College is an open admission institution and welcomes all students to attend.

General Admission Requirements
• Applicants must complete an admissions application online at ApplyTexas.

• Students must complete application process by the published application deadline for the term they plan to attend Texas Southmost College for the first time, or after a break in enrollment.

• A new application is required for anyone who applied but did not register, and for former students who stopped out for one year or more.

• Students must be sixteen (16) years of age by the start of the academic year in which they enroll.

• Students with high school or university transcripts from a foreign institution must submit an official foreign credential evaluation. TSC recommends the following agencies.

Steps to complete admissions requirements:
• Applicants must complete an admissions application online at ApplyTexas.

• Comply with Texas Success Initiative (TSI) requirements.
  o Meet the placement requirements with official documentation of Texas Success initiative (TSI) exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

• Provide proof of bacterial meningitis vaccination.
  o State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

• Students must submit proof of Texas State Residency for tuition purposes.

• Schedule an advising session if attending college for the first time, transferring with fewer than twelve (12) college-level semester hours, or enrolling in college preparatory (developmental education) courses.

• Meet additional requirements for some admission types. (See information in Admissions Classifications below).
Admissions Classifications
Texas Southmost College recognizes a variety of admissions.

High School Admission
Following graduation, high school students are responsible for submitting complete, official high school transcripts with graduation date.

- **Apply for Admission.**
  Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.

- **Comply with Texas Success Initiative (TSI) requirements.**
  - Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests.
    All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

- **Students who have graduated from high school must submit an official high school transcript with high school graduation date.** Official high school transcripts must be sent by the school, sealed or electronically. Transcripts may be delivered in person (in a sealed envelope).

- **Students who have not graduated from high school at the time of application must submit an official high school transcript.** Official high school transcripts must include at least six (6) complete semesters and must be sent by the school, sealed or electronically. By the end of the first semester of enrollment, a student must submit a final official transcript that includes the high school graduation date.

- **Provide proof of bacterial meningitis vaccination.**
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- **Schedule an advising session.**

GED Admission
Applicants who did not graduate from high school may be admitted by successfully completing the General Education Development test (GED). A copy of the certificate of high school equivalency with test scores must be submitted to the Admissions Office prior to registration.

- **Apply for Admission**
  Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.

- **Comply with Texas Success Initiative (TSI) requirements**
  - Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests.
    All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

- **Submit official GED test scores report issued by the state where the test was taken and passed.**
• Provide proof of bacterial meningitis vaccination.
  o State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

• Schedule an advising session.

Home Schooled Admission
Students applying for admission following completion of a home school program equivalent to the high school level will be admitted as High School Admission graduates. In addition to the standard criteria for admission to Texas Southmost College, home schooled students must present a signed and notarized record of the high school equivalent work completed and the date of graduation.

• Apply for Admission.
  Complete and submit the admission application through ApplyTexas. An active application is required to move forward with the enrollment process.

• Comply with Texas Success Initiative (TSI) requirements.
  o Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in program if identified as not college ready.

• Submit transcripts.
  o Students who have graduated must submit a notarized transcript of the high school equivalent work completed and the date of graduation.
  
  o Students who have not graduated from high school at the time of application must submit a sealed and notarized non-final transcript of the high school equivalent work. In addition, the official non-final high school transcripts must include at least six (6) complete semesters. By the end of the first (1) semester of enrollment at Texas Southmost College, a student must submit a final official signed and notarized transcript that includes the high school graduation date.

• Provide proof of bacterial meningitis vaccination.
  o State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

• Schedule an advising session.

Individual Approval Admission
Students who are eighteen (18) years or older and who are not graduates of high school or the equivalent may be admitted if they can demonstrate their ability to successfully complete college-level coursework. College readiness will be determined at the discretion of the College.
**Early Admission**

Students who have completed their sophomore year of high school or the equivalent may qualify for Early Admission.

- **Apply for Admission.**
  Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.

- **Comply with Texas Success Initiative (TSI) requirements.**
  - Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

- Complete the sophomore year of high school or the home school equivalent and be 16 years of age by the start of the academic year enrolled.

- Complete and submit the Early Admission form.

- Submit a letter of recommendation from a counselor or designee and parental approval addressing the applicant’s maturity and ability to function well in a college environment.

- Submit official high school transcript of coursework completed prior to registration.

- **Provide proof of bacterial meningitis vaccination.**
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- Schedule an advising session.

- Maximum combined class load must not exceed eighteen (18) semester credit hours, counting each high school course as equivalent to one three-hour course. Re-enrollment eligibility in subsequent semesters requires a grade of “C” or better in all college-level courses.

To obtain an official transcript of Texas Southmost College coursework after high school graduation, an early admission student must submit a final official high school transcript that includes the graduation date. Prior to high school graduation, Texas Southmost College will only release an official transcript of TSC coursework directly to other institutions of higher education at the student’s request.

Early admission students seeking to continue enrollment with Texas Southmost College after high school graduation must submit an ApplyTexas application as a high school graduate and follow the admissions steps outlined under the High School Admissions category.
Dual Enrollment Admission
The Dual Enrollment program allows eligible high school students to earn college credit for specific high school courses in which they are currently enrolled, while completing their high school requirements. In order for students to participate in the program, service area high schools must be approved to offer dual enrollment courses. Dual enrollment students meet the following criteria:

- **Apply for Admission.**
  Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.

- **Comply with Texas Success Initiative (TSI) requirements.**
  - Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

- **Complete and submit all required Dual Enrollment forms.**

- **Demonstrate college-level ability in the subject area(s) requested.**

- **Be TSI exempt (compliant) in at least one area and meet the basic skills required for specific dual credit courses.**

- **Provide proof of bacterial meningitis vaccination, if taking courses on TSC campus.**
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- **Schedule an advising session.**

Students may take up to two dual enrollment classes per regular semester. Dual enrollment courses are offered in the Fall and Spring semesters only.

Prior to high school graduation, Texas Southmost College will only release an official transcript of TSC coursework directly to other institutions of higher education at the student's request. Official transcripts of TSC coursework will be released when the student's complete official high school transcript, including the graduation date, is submitted to TSC. It is the responsibility of the student to ensure dual enrollment courses will be accepted by the transfer institution they plan to attend after graduation from high school.

Dual enrollment students seeking to continue enrollment with Texas Southmost College after high school graduation must submit an [ApplyTexas](#) application as a high school graduate and follow the admissions steps outlined under the High School Admissions category.

Early College High School Admission
The Early College High School (ECHS) program allows eligible high school students in approved high schools to earn college credit for specific high school courses in which they are currently enrolled, while completing their high school requirements. In order for students to participate in the program, service area high schools must be approved to offer early college high school courses. ECHS enrollment students meet the following criteria:

- **Apply for Admission.**
  Complete and submit the admission application through [ApplyTexas](#). An active application is required to move forward with the enrollment process.
• Comply with Texas Success Initiative (TSI) requirements.
  o Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

• Complete and submit all required ECHS forms.

• Demonstrate college-level ability in the subject area(s) requested.

• Provide proof of bacterial meningitis vaccination, if taking courses on TSC campus.
  State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

Prior to high school graduation, Texas Southmost College will only release an official transcript of TSC coursework directly to other institutions of higher education at the student’s request. Official transcripts of TSC coursework will be released when the student’s complete official high school transcript, including the graduation date, is submitted to TSC. It is the responsibility of the student to ensure ECHS courses will be accepted by the transfer institution they plan to attend after graduation from high school.

ECHS students seeking to continue enrollment with Texas Southmost College after high school graduation must submit an ApplyTexas application as a high school graduate and follow the admissions steps outlined under the High School Admissions category.

Transfer Admission
A transfer student is any student who has completed previous college work at a regionally accredited college or university and plans to attend Texas Southmost College.

• Apply for Admission.
  Complete and submit the admission application through ApplyTexas. An active application is required to move forward with the enrollment process.

• Comply with Texas Success Initiative (TSI) requirements.
  o Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

• Submit transcripts.
  o Students must submit official transcripts from all postsecondary institutions attended. If courses are in progress at another institution, official transcripts should be submitted once final grades are posted. Official transcripts must be received in a sealed envelope from the host institution or sent directly from the host institution to the Office of Admissions and Records at Texas Southmost College.
Foreign transcripts must be translated into English by a member of the American Translators Association. Students seeking transfer credit from foreign institutions must submit the official transcript evaluated by a member of the National Association of Credential Evaluation Services (NACES). Please note: Some evaluation services require translation from a specific translation service.

- Provide proof of bacterial meningitis vaccination.
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- Schedule an advising session.
  - Generally, advising is not required for all transfer students, although it is strongly recommended. However, students entering with less than twelve (12) credit hours, less than a 2.0 grade point average (GPA), or enrolling in college preparatory (developmental education) courses are required to meet with an advisor.

**Transient Admission**

Students enrolled in and seeking a degree at another institution of higher education who plan to take courses at Texas Southmost College during the summer sessions only are considered transient students and should complete the application process well before registration begins for the summer term they plan to attend.

- Apply for Admission.
  Complete and submit the admission application through ApplyTexas. An active application is required to move forward with the enrollment process.

- Comply with Texas Success Initiative (TSI) requirements.
  - Meet the placement requirements with official documentation of TSI exemption or compliance (test scores or official college transcript) or take mandatory placement tests. All TSC students, regardless of degree or certificate declared, must take the TSI Assessment; however, students enrolling in Level One Certificate programs that do not identify skill levels will not be prohibited from enrolling in a program if identified as not college ready.

- Submit transcripts
  - Transient students may submit an official in-progress transcript from the college/university attended if grades for the current semester are not available for the purposes of admission and registration. Upon completion of the semester, students may request their TSC transcript be sent to their college.

  - If students remain enrolled for the subsequent semester, they must submit an official transcript from the college/university with final grades posted.

- Provide proof of bacterial meningitis vaccination.
  - State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

- Schedule an advising session.
  - Advising is not required for all transient students but is strongly recommended. Students entering with less than twelve (12) credit hours, less than a 2.0 grade point average (GPA), or enrolling in college preparatory (developmental education) courses are required to meet with an advisor.
**Former Student Admission**
Students who have previously attended TSC and have not enrolled within the past twelve (12) months at any other college or university must satisfy all applicable admissions requirements prior to registration and complete the [ApplyTexas](#) application. Students with academic dismissals more than ten (10) years old will enter in good academic standing. Returning students whose last status was Academic Dismissal must petition for readmission as outlined under Academic Standing and Probation.

Students with a break in enrollment of one (1) regular semester or more are required to provide proof of bacterial meningitis vaccination. State law requires that entering students show evidence of receiving a bacterial meningitis vaccination or booster dose during the five (5) year period prior to enrollment. The law allows for some exceptions. Information is also available through the Texas Higher Education Coordinating Board (THECB).

If students return to TSC after a five (5) year absence, they may be required to re-submit transcripts for admission and/or graduation. Students who have been academically dismissed from a former institution should refer to Academic Standing and Probation.

**International Student Admission**
All persons seeking admission holding non-permanent visas will be processed as international students. Applicants for F-1 student visas, or F-1 visa students transferring from a high school, college, or university in the United States, must submit a completed International Student Application form. Contact the Office of Admissions and Records for additional information and forms.

All international students must follow the admissions steps outlined under the specific admissions category. International student applicants not completing college-level courses at a United States college or university are required to provide TSI Assessment scores or take the TSI Assessment before the start of the first (1) semester of enrollment. A student who fails any one (1) of three (3) areas (reading, math, or writing) may enroll in some program courses, but may also be required to enroll in college preparatory (developmental education) courses as needed.

For admission, all foreign transcripts must be translated into English by a member of the American Translators Association. Students seeking transfer credit from foreign institutions must submit the official transcript evaluated by a member of the National Association of Credential Evaluation Services (NACES). Please note: Some evaluation services require translation from a specific translation service.

**Senior Citizen Admission**
Senior Citizens who will be age 65 by the census date of the term may enroll in course offerings in two (2) different categories at a reduced cost.

**College Credit Courses:**
- Must complete an [ApplyTexas](#) application.
- Must submit an official transcript from the last college or university attended prior to admission.
- May enroll only on the first day of the term based on space availability.
- Responsible for completing course requirements.
- Normal tuition waived, but responsible for associated fees.
- Restrictions:
  - Space available.
  - 6 (six) credit hour limit.
  - Courses with differential tuition.
  - Activity classes, such as private music lessons, art studio, wellness/fitness.
  - Courses requiring programmatic prerequisites.
  - Courses that were previously registered for credit in the same semester.
Audit of College Credit Courses:
- May enroll only on the first day of the term based on space availability.
- Tuition waived, but responsible for associated fees and $100 Audit fee.
- Restrictions:
  - Space available.
  - 6 (six) credit hour limit.
  - Courses with differential tuition.
  - Activity classes, such as private music lessons, art studio, wellness/fitness.
  - Courses requiring programmatic prerequisites.
  - Courses that were previously registered for credit in the same semester.

Senior Citizen waiver and audits do not apply to Continuing Education courses.

Audit (Non-Credit) Admission
Audit/No Credit status provides students with the usual learning opportunities without mandatory course requirements such as attendance, written work, and tests. Students who audit a course will not receive a grade or credit for the course. An additional audit fee will apply.

Students who enroll only for audit admission must complete the ApplyTexas application and contact the office of Admissions and Records to declare their intent to audit a course(s).

Audit courses cannot be changed to credit (nor can credit to audit) after the Census Date of the course or term, whichever occurs first. Audit courses will be noted on the student’s permanent record as “AU” for Audit.

ApplyTexas Application

Potential students must submit an admission application to ApplyTexas. The application should take 15-30 minutes. If the application is not completed in a single session, the file may be saved. To complete the ApplyTexas application, students will need their social security number and a valid email address (admission status will be sent to this address). Applications are typically processed within 2-3 business days.

Tuition may be determined by residency status based on the answers provided to the core “residency” questions on the ApplyTexas application.

Students without a social security number should contact the Office of Admissions & Records for assistance. An institutional number will be assigned in its place.

Once students have submitted the ApplyTexas application to TSC, they do not need to re-apply for subsequent admission provided there is no break in enrollment.
Checklist of Application Materials
Students should have the following information available before beginning the online application:

- Social Security Number
  Providing your social security number (SSN) is optional, but it is strongly recommended. Applications and documents without social security numbers are difficult to match, which may result in additional processing time for admissions and financial aid. For questions or concerns, contact the Office of Admissions and Records.

- Name of the county in which you live.

- Email address (Students without email accounts can create them at various free sites such as yahoo.com, gmail.com or hotmail.com).

- Visa/ Permanent Resident information to include Permanent Residence Card, issue date, and number.

- Documentation of bacterial meningitis vaccination.

- TSI assessment scores.

- SAT, ACT, and/or TAKS (grade 11) scores and test dates.

- Names and dates of high school(s) and college(s)/university(ies) attended.

- Academic standing at previous college(s)/university(ies).

Residency
Students must accurately answer questions about their residency on the ApplyTexas application for admission and provide supporting documentation as set out below, if necessary.

For purposes of determining residency, TSC complies with all applicable state and federal regulations, as well as the Texas Higher Education Coordinating Board recommendations.

TSC uses three residency classifications for students:
1. "In-district" (students who live within the TSC taxing district),
2. "Out-of-district" (students who live in all other counties within the state of Texas), and
3. "Non-residents" (out-of-state or international students).

It is the student's responsibility to provide a copy of one of the documents listed as 1-3 below, and any other supporting documents required. These documents will be used to establish that the student is domiciled in Texas and has maintained a residence in Texas continuously for at least 12 months prior to the census date of the semester in which the student is enrolling. These documents must be in the name of the student or dependent student's parent(s) and dated to encompass at least 12 months prior to the census date of the semester in which the student is enrolling.

1. Statement from Employer, including start and current/end dates, which encompasses at least 12 months prior to the census date. Student employment, such as work-study, receipt of stipends, fellowship, research or teaching assistant positions, does not qualify as a basis for establishing domicile.
2. Lease or Rental Agreement/Contract of real property, other than campus housing, which encompasses at least 12 months prior to the census date. If this document is provided as the sole basis of a domicile, it must be accompanied by at least three documents that support the maintenance of this residence for at least 12 months prior to the census date, as follows:

- Texas high school transcript
- Texas college or university transcript
- Permanent Texas Driver License (at least one-year-old). Generally, the license expiration date minus the date of enrollment should not exceed three years.
- Texas Voter Registration Card
- Texas vehicle registration
- Bank statements or cancelled checks
- Utility bill (electric, telephone, water or cable) for the year preceding enrollment
- Federal income tax return for the previous year

3. Copy of one of the documents below, which must be (a) accomplished and maintained for at least 12 months prior to the census date and (b) accompanied by at least one of the documents above, as follows:

a. Title to real property in Texas

b. Marriage certificate with documentation to support that the spouse is a domiciliary of Texas

c. Ownership of a business in Texas with documentation to support that (a) the business is a partnership or corporation and (b) it is owned by the student or dependent student's parent(s)

State or local licenses to conduct business or practice a profession in Texas. Persons and their dependents, who do not live in the TSC district, but who own property that is subject to ad valorem taxation by the TSC taxing district, are also classified as "in-district."

Guidelines for Completing the ApplyTexas Application

- Log on to ApplyTexas to create a student profile.
- Record the ApplyTexas User ID and Password for future access.
- Select "Two-Year Undergraduate Application."
- Select the college to which the application will be delivered.
- Submit the application.
- Copy the "application number" provided in the window for your records.

Once the application is submitted, all corrections and updates require a visit to the Office of Admissions and Records. Students will receive an email with a verification number.

When you consult with the Office of Admissions and Records, please have your email verification and confirmation number with you.
**Admission/Registration Holds**
Admission/Registration holds preventing the release of official TSC transcripts may be placed on students’ records until all admission requirements are met and may result in delayed registration. Admission/Registration holds result when a student does not provide all official transcripts from all institutions attended or the student has not yet met other admission requirements. Admission/Registration holds prevent the release of official TSC transcripts.

**Admission Appeal Procedures**
Students who fail to meet the admission criteria stated in the TSC current catalog, students on suspension from any institution, and students who wish to challenge an enrollment or registration decision may do so by submitting an appeal to the Enrollment Appeal Committee (EAC) through the Office of Admissions and Records.

**Texas Success Initiative (TSI)**
The Texas Success Initiative is a state-mandated program that promotes academic success by ensuring that all students are prepared for college-level coursework.

TSI measures reading, writing, and mathematics skills to determine students’ readiness to enroll and perform in freshman-level academic coursework. Students are required to test and to be advised based on the results of their TSI assessment scores. Students will not be denied admission to TSC based on TSI scores or college placement scores; however, testing is usually required prior to enrollment.

*TSI exemptions are based on Texas Administrative Code Chapter 4, Subchapter C, Rule §4.54 Exemptions, Exceptions, and Waivers*
TSI Requirement Exemptions
Students may be exempt from taking the TSI Assessment, unless it is needed as a prerequisite for a specific course, if they meet one of the following:

- **ACT**
  Composite score of twenty-three (23) or higher, with a minimum score of nineteen (19) in each section of the English and math tests. Scores are valid for five (5) years from date of testing.

- **SAT**
  Combined score of 1070 or higher, with a minimum of 500 in each section of the verbal and math tests. Scores are valid for five (5) years from date of testing.

- **TAKS Exit-Level**
  Minimum scale score of 2200 on the exit-level math section and 2200 on the English Language Arts (ELA) section with a writing sub-section score of three (3) or higher. Scores are valid for five (5) years from date of testing.

- **Readiness Status**
  Met college-level readiness standards in English, reading, and mathematics at an accredited Texas public institution of higher education.

- **Transfer from Private or Accredited Out-of-State Institutions**
  Satisfactorily completed a minimum of three (3) college-level semester credit hours in English, reading, and math with a grade of “C” or better.

- **Degree**
  Earned an Associate or Baccalaureate degree from an accredited Texas public institution of higher education.

- **Military**
  Currently serving on active duty in the U.S. Armed Forces, Texas National Guard, or as a member of a reserve component of the U.S. Armed Forces for at least three (3) years preceding enrollment.

  After August 1, 1990, was honorably discharged, released, or retired from active duty as a member of the U.S. Armed Forces, Texas National Guard, or as a member of a reserve component of the U.S. Armed Forces.

Students who do not provide official documentation to verify one of the exemptions above are required to take the TSI Assessment. Although students may be exempt from TSI, a college-level placement exam may be required to assist in course placement.

Students who initially do not meet the college-level standard may re-take an assessment instrument according to TSC and test instrument guidelines. After testing, students should consult with an advisor to develop a plan to achieve the skill level required for the program to be earned.
Academic Fresh Start

What is Academic Fresh Start?
Your old grades don't have to count against you. If you're a Texas resident and apply for admission (or readmission) to Texas public colleges or universities and enroll as an undergraduate, you may be able to begin a new course of study with a clear academic record.

If you have credits for college courses taken ten or more years prior to the planned enrollment date, those credits (and grades) can be ignored for enrollment purposes under the "Academic Fresh Start" Law.

Please remember: This is an all or nothing option. You cannot pick and choose which courses to ignore and which courses to count. If you choose the "Academic Fresh Start" option, you will not receive any credit for any courses you took at least ten years ago.

This means that courses taken previously:
- Cannot be used to fulfill new prerequisite requirements;
- Cannot be counted toward your new degree; and
- Will not be counted in your new G.P.A. calculations.

Who Determines our Eligibility for Academic Fresh Start?
The Director of Admissions at the college or university where you are planning to enroll is the final authority on applying or interpreting your right to an Academic Fresh Start.

How Does This Affect Your Admission as an Undergraduate?
Even if you choose the Academic Fresh Start option, you must still complete the usual admissions process. This includes providing information on all colleges or universities you previously attended, along with copies of transcripts from all schools you attended.

How Does This Affect Your Financial Aid?
Academic Fresh Start clears only your academic record. When deciding your eligibility for financial aid, the school must still count all prior credits earned. If you earned a graduate degree prior to enrolling as an undergraduate under the Academic Fresh Start option, you will only be eligible for aid available to graduate students. Contact the Director of Financial Aid at the school where you are enrolling for details.

Applying to a Postgraduate or Professional Program
What happens if you enroll under the Academic Fresh Start option, earn an undergraduate degree, and then apply to a postgraduate or professional program at a public university?

- Admissions staff for master's, doctoral or other professional degree programs at public universities will consider only your G.P.A. established by the course work you completed after enrolling in Academic Fresh Start, plus any other criteria the school uses in evaluating applicants for admission.

- Credits and G.P.A. you earned prior to Academic Fresh Start will not be used to evaluate your application for admission into the postgraduate or professional program.

Please note: Nothing in the law prohibits a public university from applying standard admissions requirements.
**Academic Advising**

First-time college students must meet with an academic advisor for individual advising. Transfer students must meet with an academic advisor if they have successfully completed less than 12 credit hours or if they are on academic probation or suspension.

All students are encouraged to seek academic advising before the registration process begins to consider program options and understand the academic requirements to include prerequisites for courses, degrees and programs, and transfer institutions. Having a goal and understanding what is required to achieve the goal can save time and money.

Advising is required for:

- All first-time college students, including those who have earned college dual enrollment credit as high school students.
- Transfer college students with fewer than twelve (12) earned college semester credit hours.
- Students with Academic Holds.
- Students who need college preparatory (developmental education) courses.

If TSC requires advising, an admission/registration hold will be placed on the student’s record until the requirement has been met.

Students are encouraged to consult with an academic advisor about courses and other educational concerns if currently enrolled and pursuing a two-year degree program, planning to transfer to another college or university, or simply taking a few selected courses. In addition to course and degree requirements, policies and procedures are subject to change. Students are encouraged to stay informed of any changes that may affect them by meeting with an academic advisor regularly.

Many students who plan to transfer to a university are advised to fulfill the lower-division requirements for the university selected for their continued education. It is the responsibility of all students to ensure that they take courses at TSC that will be accepted by the senior institutions they wish to attend.

**Transfer Credit**

Only academic or technical courses required within a major field of study and in which a “C” or better has been earned may be applied toward a certificate or degree. This applies to all degree plans. Credit may be transferred to TSC from colleges and universities regionally accredited by one of the following associations:

- Middle States Association of Colleges and Schools
- New England Association of Colleges and Schools
- Northwest Association of Colleges and Schools
- North Central Association of Colleges and Schools
- Southern Association of Colleges and Schools
- Western Association of Colleges and Schools
Courses from institutions accredited by the following agencies recognized by the Texas Higher Education Coordinating Board (THECB) may be applied by the college toward a certificate or degree only after being reviewed on a case by case basis:

- Accrediting Bureau of Health Education Schools (ABHES)
- Accrediting Commission of Career Schools and Colleges (ACCSC)
- Accrediting Council for Independent Colleges and Schools (ACICS)
- Accreditation Commission for Acupuncture and Oriental Medicine (ACAOM)
- American Board of Funeral Service Education (ABFSE)
- Association of Biblical Higher Education (ABHE) (undergraduate only)
- Commission on Accrediting of the Association of Theological Schools (ATS)
- Council on Occupational Education (COE)
- Distance Education and Training Council (DETC)
- National Association of Schools of Theatre (NAST)
- Transnational Association of Christian Colleges and Schools (TRACS)

Credit from institutions not regionally accredited by one of the above associations is not accepted by TSC. The Office of Admissions and Records is responsible for verifying an institution’s regional accreditation status and for evaluating the official transcripts. Traditional classroom instruction and credit by examination are the basis on which transferred credit is recognized. A minimum of 25% of the required semester credit hours toward a degree or certificate must be completed at TSC.

To meet the requirements, only those courses in which a “C” or better has been earned may be applied toward a certificate or degree, and only those technical courses in which a “C” or better has been earned may be applied to meet the requirements in the major field of study. This policy applies to all degree plans.

Courses taken ten (10) or more years prior to a student’s last enrollment at TSC will not count as semester credit hours toward the award of the degree or certificate in the Applied Science area of major concentration. These courses will only be transferred or credited as elective credits towards the fulfillment of degree/certificate requirements. However, a student may petition for an exception, which will be evaluated and awarded as determined by the Division Dean with approval by the Vice President of Instruction.

**Transfer Transcript Evaluation**

The term "official transcript of record” refers to the record of coursework transferred from other regionally accredited colleges and universities to TSC. An official evaluation of college transfer coursework will be processed during the first (1) semester of enrollment at TSC.

Students transferring to TSC can expect that approved academic courses earned at any Texas public institution will be accepted in transfer. Transcripts received become the permanent property of TSC.

Official transcripts from all colleges and universities attended must be forwarded to the Office of Admissions and Records. Transcripts may not be faxed.

Transfer students are not at liberty to disregard any part of their past collegiate record and apply for admission on a partial college record or solely on the basis of a high school record.

**Military Transfer**

Transfer work from military education is accepted based on the American Council on Education Guide. Students must present an official copy of the Army/American Council on Education Registry Transcript System or the Sailor/Marine American Council on Education Registry Transcript.
Transfer Credit Evaluation for Students Submitting Transcripts from Foreign Institutions

Students seeking transfer credit for courses completed at a foreign institution must submit the official transcript and an official third (3) party report/recommendation from a member of the National Association of Credential Evaluation Services (NACES) that includes translation, interpretation, and evaluation of the transcript.

Transfer Dispute Resolution

Transfer disputes may arise when students are transferring courses to TSC from other institutions and/or when TSC courses are not accepted for credit by another Texas public institution of higher education. Both institutions involved in the transfer issue will attempt to resolve the transfer dispute in accordance with the THECB rules and/or guidelines.

The purpose of the THECB’s transfer rules is to facilitate the transfer of lower-division courses and to clarify students’ rights and responsibilities as potential transfer students. The procedure for the resolution of transfer disputes is codified in THECB Rules, Chapter 4, Subchapter B, online.

In all disputes, the THECB Transfer Dispute Resolution form must be completed to initiate a dispute action. The completed form must be forwarded to the receiving institution within fifteen (15) calendar days after the evaluation has been submitted to the student. From the date a student is notified of credit denial (date evaluation is sent by the receiving institution), the law allows a maximum of forty-five (45) calendar days for the resolution of the dispute by the sending and receiving institutions.

- The following procedures, established by the THECB, shall be followed by institutions of higher education in the resolution of credit transfer disputes involving lower-division courses:
  
  - If an institution of higher education does not accept course credit earned by a student at another institution of higher education, the receiving institution shall give written notice to the student and to the sending institution that transfer of the course credit is denied, and shall include in that notice the reasons for denying the credit. Attached to the written notice shall be the procedures for resolution of transfer disputes for lower-division courses as outlined in this section, accompanied by clear instructions outlining the procedure for appealing the decision to the Commissioner.
  
  - A student who receives notice as specified in the first paragraph of this subsection may dispute the denial of credit by contacting a designated official at either the sending or the receiving institution.
  
  - The two institutions and the student shall attempt to resolve the transfer of the course credit in accordance with Board rules and guidelines.
  
  - If the transfer dispute is not resolved to the satisfaction of the student or the sending institution within 45 days after the date the student received written notice of denial, the sending institution may notify the Commissioner in writing of the request for transfer dispute resolution, and the institution that denies the course credit for transfer shall notify the Commissioner in writing of its denial and the reasons for the denial.

- The Commissioner or the Commissioner’s designee shall make the final determination about a dispute concerning the transfer of course credit and give written notice of the determination to the involved student and institutions.

- Each institution of higher education shall publish in its course catalogs the procedures specified in subsections of this section.

- The Board shall collect data on the types of transfer disputes that are reported and the disposition of each case that is considered by the Commissioner or the Commissioner’s designee.
If a receiving institution has cause to believe that a course being presented by a student for transfer from another school is not of an acceptable level of quality, it should first contact the sending institution and attempt to resolve the problem. In the event that the two institutions are unable to come to a satisfactory resolution, the receiving institution may notify the Commissioner, who may investigate the course. If its quality is found to be unacceptable, the Board may discontinue funding for the course.

**Transcript Request**
Students may request official transcripts at the Office of Admissions and Records. Once processed, transcripts will be sent as requested. A fee may be charged.

In compliance with FERPA regulations and TSC procedures, transcripts may only be released to the student of record.

TSC will not mail via overnight services; fax to other educational institutions, students, employers or other third parties; or accept students’ personal requests for transcripts via email or phone.

A registration hold will prevent processing and release of a student transcript. Transcripts may be withheld if students have not settled all admissions requirements (e.g., submitting official transcripts from all institutions attended) and satisfied all financial obligations to TSC.

**Internal Proficiency Examinations**
Students enrolled for the current semester, with paid tuition for that semester, may satisfy the requirement of certain courses by passing proficiency examinations provided the following criteria are met:

- Seek appropriate departmental requirements in order to take departmental exams and receive written departmental approval.
- Obtain information or approval from the Testing Center and/or department. Upon approval, students must pay the appropriate costs as defined in the fee schedule.
- Take the exam before the census date of the semester in which the student is enrolled if applying for credit by exam after enrolling in a course.
- Take a comprehensive written examination that may include prescribed performance tests.
- Receive a performance grade of “C” or better to receive credit.

Examinations for credit hours are not administered in all departments. No more than sixteen (16) semester credit hours earned by internal proficiency examinations may apply toward graduation.

**External Standardized Examinations**
Applicants must submit:

- Official test score reports from testing agencies: College Entrance Examination Board Advanced Placement Program, College-Level Equivalency Program, etc.
- Official transcripts if credit by examinations was earned at other regionally accredited institutions.
CLEP Credit
Texas Southmost College recognizes the credit-granting scores recommended by the American Council on Education (ACE). Students can be granted a maximum of 32 hours of non-course based credit. No credit will be awarded until the student has successfully completed as least six (6) hours of course credit from Texas Southmost College.

Students taking the CLEP test will earn equivalent college credit from TSC when attaining the scores indicated and the credit is treated as equal to a grade of C in the corresponding course (but is not included in GPA calculations). CLEP credit is not applied to the transcript until the student has successfully completed 6 regular college credits at TSC. Students may not earn more than 32 total hours from any testing equivalency source.

AP Credit
Students taking the AP test will earn equivalent college credit from TSC when attaining the scores indicated and the credit is treated as equal to a grade of “C” in the corresponding course (but is not included in GPA calculations). AP credit is not applied to the transcript until the student has successfully completed 6 regular college credits at TSC, and students may not earn more than 32 total hours from any testing equivalency source.

Tech Prep Articulation Agreement
College credit for certain technical courses may be requested after satisfactory completion of the secondary portion of a curriculum detailed in a Tech Prep articulation agreement. All Tech Prep agreements must be approved by the Texas Higher Education Coordinating Board (THECB). It is the student’s responsibility to contact the appropriate department chair to request Tech Prep credit within the time limits detailed in the agreement. The student must provide the chair with proper documentation of satisfactory completion of the secondary portion of the curriculum.

Tech Prep credits approved by the department chair are not posted on the transcript until the student has satisfied the minimum semester credit hour resident requirement specified in the agreement. In no case will a Tech Prep semester credit hour resident requirement be less than three (3) semester credit hours. While the number of semester credit hours may vary between agreements, in no case will the maximum credit earned through a Tech Prep agreement exceed sixteen (16) semester credit hours.

Prior Learning Credit
The assessment of prior learning may be requested for specific technical programs by individuals seeking to obtain college-level credit for training received at a technical institution. Prior Learning Credit may be obtained from the department in which the student is majoring or the corresponding dean.

Sources of prior learning may include:
- Certification/licensure/credentials equivalents
- Military service

After admission to TSC, students should consult with the appropriate academic department to determine whether prior learning may be applicable for college credit. Students must be enrolled in the current semester for which they are applying for such credit.

A technical program advisor or other representative will guide students in the process of identifying the college courses that clearly match prior learning as evidenced by documentation and sufficient justification. Before prior learning credit can be awarded and posted on a student’s official college transcript, final approval must be obtained by the appropriate dean or designee.

A maximum of twelve (12) semester credit hours may be earned through the assessment of prior learning and applied toward graduation. Credits earned by prior learning are posted on the transcript as equivalency credit (non-graded). TSC will retain a copy of the documentation with the student’s permanent file.
Continuing Education Units Conversion to Career and Technical Courses

To provide an entry for students wishing to transition from the continuing education portion of their education to the academic credit continuation of their education, students may request a conversion of Continuing Education Units (CEUs) to college credit for specific career and technical courses.

Competencies for the continuing education courses will be compared to those required of courses in the course inventory under the direction of the dean of health careers and career and technical programs and approval by the vice president of instruction.

Up to the 32-hour maximum may be awarded once the student has earned six (6) college semester credit hours at TSC. Under special circumstances the six (6) hours may be waived, such as where students are taking a complete course of study in a given contract period with Continuing Education. Conversions of CEUs to academic credit must be requested within three (3) years of completing the continuing education course. Grades will be posted as CR and not included in GPA.

</table>

This is an estimate of tuition and fees based upon a general education student taking up to 15 credit hours. Fees will vary depending on courses and labs for which a student is enrolled.

Tuition and Fees are subject to change by the Texas Southmost College Board of Trustees. Tuition and fees are subject to a cap at 15 semester credit hours. More information regarding Tuition and Fees is available on the TSC web site.

Payment or payment arrangements (financial aid, installment plan, etc.) for tuition and fees must be made by the due date. Failure to make payment or payment arrangements by the due date may cause the student to be withdrawn from all courses.

Students are responsible for withdrawing from courses they do not wish to attend. If you do not wish to attend one or all of your classes, you must withdraw prior to the first day of class or you may be responsible for payment of all tuition and mandatory fees, including incidental fees. Students who withdraw after classes begin may receive a partial refund, based upon the TSC tuition and fee refund schedule.
Tuition Refund Schedule

1. If the student withdraws during a fall or spring semester or a summer term of 10 weeks or longer:
   a. Prior to the first class day 100 percent
   b. During the first five class days 80 percent
   c. During the second five class days 70 percent
   d. During the third five class days 50 percent
   e. During the fourth five class days 25 percent
   f. After the fourth five class days None

2. If the student withdraws during a term or session of more than five weeks but less than 10 weeks:
   a. Prior to the first class day 100 percent
   b. During the first, second, or third class day 80 percent
   c. During the fourth, fifth, or sixth class day 50 percent
   d. Seventh day of class and thereafter None

3. If the student withdraws from a term or session of five weeks or less:
   a. Prior to the first class day 100 percent
   b. During the first class day 80 percent
   c. During the second class day 50 percent
   d. During the third class day and thereafter None

Payment Information
Enrollment is complete only upon full payment of tuition and fees, financial aid award, loan award (must be accepted & entrance counseling completed) or approved installment plan. Failure to make payment, payment arrangements, or complete financial aid/loan documents by the due date may cause the student to be withdrawn from all of their courses.

Payment for tuition and fees may be made at the Cashier’s windows in Tandy Hall.

Installment Payment Plan
Students should visit the cashier windows in Tandy Hall to pay tuition and fees with an installment payment plan. To qualify, the student must:
1. Be enrolled at TSC for the semester
2. Complete the installment plan agreement
3. Not have a prior balance with TSC
4. Be 18 years old

Payment of tuition and fees by installment is available each semester during the open enrollment period. Visit the Cashier’s windows in Tandy Hall to learn more.
Financial Aid

The Financial Aid Office administers and manages financial assistance programs to the benefit of eligible students and families who are unable to afford the cost of a college education. The goal of the Financial Aid Office is to help students avail themselves of as many federal, state, private and institutional financial aid program opportunities as possible. Financial aid comes in three basic types:

- Grants/Scholarships
- Work-study programs
- Loans

Any or all of these may be combined in a financial aid package to help students pay for educational expenses. Generally, scholarships and grants do not have to be repaid. Loans must be repaid and are therefore not encouraged unless absolutely necessary as a last resort.

This section describes most available financial aid programs, their requirements, and other pertinent policies and procedures. Not all policies and procedures that the Financial Aid Office is required to follow are listed. Policies listed here are only those deemed most important to students. TSC complies with all state and federal regulations governing administration of student financial aid programs. It is important to note that these policies change unexpectedly as a result of legislative action or U.S. Department of Education interpretation. Therefore, in the event of changes after the editing of this catalog, TSC will comply with the most current regulations and interpretations thereof.

More information is available on the Financial Aid web page. This link will also provide additional information about student aid programs, scholarship searches, applying for financial aid, and links to other helpful websites.

Free Application for Federal Student Aid (FAFSA)

To determine financial aid eligibility for all federal financial aid programs, the U.S. Department of Education has developed the Free Application for Federal Student Aid (FAFSA). The state of Texas has also opted to accept the FAFSA and the financial aid methodology it represents to establish financial aid eligibility for state programs.

The FAFSA is the first step in the financial aid process and assesses a student’s or a family’s financial ability to pay for school. Responses to questions on the FAFSA go into a formula established by the Higher Education Act of 1965, as amended, called the Federal Methodology. The result is a student’s Expected Family Contribution (EFC). Colleges use the EFC to determine students’ financial need and their state, federal or institutional aid eligibility.

Each person who completes the online FAFSA will need a Personal Identification Number (PIN). FAFSA PINs can be obtained online at www.pin.ed.gov.
Applying for Financial Aid
Students who apply for financial aid at TSC are automatically considered for the following programs:

- Federal Pell Grant
- Federal Supplemental Education Opportunity Grant (SEOG)
- Texas Public Education Grant (TPEG)
- Texas Grant I
- Texas Education Opportunity Grant
- College Work-Study

Students wishing to request a loan may complete a request form for the following program(s):

- William D. Ford Federal Direct Loan Program

The application procedures are described below and apply to need-based grants, loans, and work-study employment. TSC scholarship awards are considered a resource when determining eligibility for other financial aid.

Applications for aid will be considered complete when the following has taken place at TSC:

1. The student has been accepted for admission in a program of study leading to a degree or certificate and is making satisfactory academic progress.

2. The student has the following on file in the TSC Financial Aid Office:
   a. The financial aid application. To ensure the application is electronically forwarded, the TSC federal school code (030646) must appear on the FAFSA. In addition, the student's name and social security number recorded at the college must match exactly the name and social security number recorded on the FAFSA.
   b. If selected for verification, the student must submit all required documents as requested by the TSC Financial Aid Office.

It is essential that the TSC Financial Aid Office always has the student's most current permanent address, phone number and email address to avoid delays and ensure that important documents are promptly received and processed. Students are encouraged to update contact information as often as necessary by completing the appropriate forms at the Office of Admissions and Records.

Deadlines for Filing the FAFSA
The U.S. Department of Education publishes general deadlines that apply to the processing of a FAFSA online. A processed FAFSA, however, does not guarantee that an eligible student will receive financial aid. In addition, since funding is limited, grants and scholarships are awarded on a first-come, first-served basis to students who qualify. Priority deadlines are available on the Academic Calendar.

Completed applications received by the priority date will receive priority consideration of all available funds, subject to each student's eligibility. Students who submit a completed application (including all required documents) by the Processing Guarantee Date will have an award or denial of aid by the first class day. Completed applications received after the guarantee date will be processed according to date of completion, but will most likely not be processed by the payment deadline. Students in this situation should be prepared to make payment arrangements with the Cashier's Office in regards to their tuition balance prior to the payment deadline.
Eligibility Requirements for Student Financial Aid
In general, students are eligible for federal, state, and institutional aid if they meet the following requirements:

- Be enrolled for at least six (6) semester credit hours as a regular student in an eligible program (Less than half-time students may receive a Pell Grant if they are eligible);
- Be a U.S. citizen or eligible non-citizen. Undocumented students who meet the criteria for Texas residency under HB1403 qualify for limited state financial aid.
- Have a high school diploma or a General Education Development (GED) certificate;
- Not be in default on any student loan or owe a refund to a federal financial aid program;
- Make Satisfactory Academic Progress in a declared course of study. All students must be familiar with the TSC Satisfactory Academic Progress policy;
- Have financial need as determined by the federal need analysis methodology and institutional guidelines; and
- Not have been convicted of a felony or crime involving a controlled substance.

Calculating Financial Need
The information students report when completing the FAFSA is used in a formula established by the Department of Education that calculates an Expected Family Contribution (EFC). The EFC is the amount students and their families are expected to have available toward the student’s educational costs. For the Federal Pell Grant program, if the EFC is below a certain number, students are eligible for a Pell Grant, assuming they meet all other eligibility requirements. There is no maximum EFC that defines eligibility for college-based programs. Instead, the EFC is used in an equation to determine financial need:

\[
\text{Cost of Education} - \text{Expected Family Contribution} = \text{Financial Need}
\]

The difference between the cost of education and the Expected Family Contribution is considered the student’s financial need. The financial need calculation helps the Financial Aid Office establish eligibility for grants, loans, and work-study. The combination of financial aid from these sources is called a financial aid package and it is meant to help meet the student’s financial need.

A booklet describing the formula that produces the Expected Family Contribution (EFC) is available by writing to:

Federal Student Aid Information Center
PO Box 84
Washington, D.C. 20044

Verification
Verification is the process by which a student’s financial aid application data is checked for accuracy. Only those students selected for verification by the federal processor or institution need to go through this process. The U.S. Department of Education requires all colleges to complete this process for all students selected without exception. Students are notified of this requirement via the Student Aid Report (SAR) and through an email from the TSC Financial Aid Office.
Students selected for verification are typically asked to submit the following documents, if applicable to their situation:

- The student’s (and spouse’s, if applicable) official Tax Transcript from the Internal Revenue Service if the Data Retrieval Tool was not used when FAFSA was completed;
- An official Tax Transcript of the parent’(s) from the Internal Revenue Service if the Data Retrieval Tool was not used when FAFSA was completed;
- Wage and Tax income statements (W-2s), 1099, etc. for parent(s) and/or student;
- Household Form; and
- Documentation that verifies benefits or untaxed income, such as:
  - Child Support-Paid and Received
  - Untaxed Pensions
  - Food Stamp benefits
  - Other untaxed income and benefits

TSC Financial Aid Office reserves the right to request any additional documentation to resolve discrepancies found during the verification process.

If FAFSA information does not match with documentation provided by the student, the TSC Financial Aid Office will make corrections to the FAFSA information for the student. If the student is aware that FAFSA information is incorrect and was not selected for verification, the student can make corrections via FAFSA online. Students may also visit TSC Financial Aid Office to obtain assistance on making changes to FAFSA, and will need to provide supporting documentation for the changes.

Federal regulation requires that Financial Aid administrators notify the Office of Inspector General (OIG) whenever suspicions on fraudulent actions are identified, and documentation is mailed to the following address:

U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-1500
1-800-MIS-USED
E-mail: oig.hotline@ed.gov
Web: [http://www.ed.gov/about/offices/list/oig/hotline.html](http://www.ed.gov/about/offices/list/oig/hotline.html)
Dallas, TX contact number: (214) 661-9530

**Notification of Financial Aid Awards**
Financial aid award notifications can be found on the student’s personal page using TSC Online. The Financial Aid Office does not mail written notifications. Instead, students are contacted via email at the personal email address provided on the FAFSA, and at the one assigned by TSC to check their financial aid status online. Students will be sent email notices whenever there are changes to their financial aid package due to changes regarding their eligibility, enrollment status, or award information. Students can view each source of aid and amount that they have been awarded via TSC Online. The Financial Aid Office can assist students in navigating the web site or provide written instructions.

Most awards are automatically accepted for students unless otherwise instructed. Any financial aid recipients who register for classes and then do not intend to stay enrolled must officially drop their classes to avoid future aid from being disbursed. To avoid possible repayment of financial aid funds, students should drop courses at least ten (10) days prior to the first day of classes. For information regarding the dropping of classes, see the Adds, Drops and Withdrawals section in this catalog.
Receiving Financial Aid Funds
The TSC Cashier’s Office is responsible for distribution of financial aid funds once the award has been completed by the TSC Financial Aid Office. Checks generated are mailed to students at their permanent address without exception. Loan funds are also credited directly into students’ accounts. Electronic deposit is also available for students to receive financial aid funds. Inquire with the college Cashier’s Office for details.

Satisfactory Academic Progress (SAP)
Federal regulations require all students applying for financial assistance to maintain Satisfactory Academic Progress in order to receive aid. The progress standards that students are required to meet in order to maintain financial aid eligibility are:

- A minimum 2.0 (“C” or better) overall GPA;
- Successful completion of 70% of all coursework attempted; and
- Timeframe to complete declared program of study.

Compliance with SAP must be met in order for a student to retain their financial aid eligibility. Students are advised to check their status through their TSC Online account.

Final Satisfactory Academic Progress (SAP) rules were published in the October 29, 2010 Federal Register to be effective July 1, 2011. The revised current regulations clarify, standardize, and strengthen provisions on school evaluations of the qualitative (grades and academic standing) and quantitative (pace of completion) aspects of a student’s progress in a program for Title IV funding purposes.

The information below describes each status in more detail:

**Good Standing**
Students are considered to be in Good Standing with Financial Aid if they meet all three (3) standards of progress outlined above. These students may participate in any financial aid programs provided they meet all other eligibility criteria, subject to availability of funds.

**Warning Status**
Students who fail to meet the grade point average requirement, the completion rate requirement, or attempt 85% or more of the 1.5 times the minimum number of credits required for a degree program, will be placed in Financial Aid Warning Status for the following semester. Students will be notified via email of their warning status.

**Financial Aid Suspension**
Students in Financial Aid Warning status who fail to meet SAP requirements for the next semester will not be eligible to receive financial aid and will be placed in Financial Aid Suspension. These students are sent a financial aid suspension notice and can continue to enroll but at their own expense.

**Appeal Process**
Students may appeal their suspension status. The appeal should include a personal statement (with appropriate documentation) detailing the circumstances that resulted in their failure to meet the required standards and a plan detailing actions the student will take to achieve and maintain Satisfactory Academic Progress. Those who have been suspended due to timeframe must submit a declared degree plan, signed by an academic advisor, clearly showing courses earned towards the program, courses still needed, and the anticipated graduation date. Appeal Packets, complete with forms and instructions, are available in the Financial Aid Office and online. Completed appeal packets must be submitted to the TSC Financial Aid Office.
If the appeal is approved, student will be placed in Financial Aid Probation and eligibility is reinstated subject to program requirements. Progress is reviewed at the end of the semester to make sure that the student is meeting the standards and following the degree plan. Failure in either of these criteria will again result in financial aid suspension.

If the appeal is denied, no financial aid of any kind may be awarded. Students can continue to enroll but at their own expense. A re-appeal is acceptable after students have completed at least one (1) semester (preferably 2 semesters) and believe they can make a case for getting back on track academically. The TSC Financial Aid Appeal Committee’s decision is final and may not be appealed further.

**Spring and Summer Transfer Students**
Students transferring from another institution during the spring or summer semesters must make sure that their prior institution reports to the Common Origination and Disbursement (COD) website the cancellation of any undisbursed Federal Pell Grant and Stafford Loan amounts.

Failure to do so will prevent TSC from awarding any remaining funds for which a student is still eligible from those student aid programs. Students who plan to enroll at TSC only during the summer and then return to their home institution the following fall semester are considered transient students and are therefore not eligible for financial aid at TSC.

**Concurrent Enrollment and Financial Aid Eligibility**
Students may receive aid at one school per period of enrollment. Students who are enrolled at two institutions for the same semester may receive financial aid at the college they have declared as their home/primary college, if they are enrolled at their primary college. Some programs require that students be enrolled at their primary institution for six (6) or more hours. At no time will students be allowed to count enrollment outside TSC toward their eligibility for financial aid at TSC.

**Enrollment Status by Session**
Eligibility for financial aid is based on the semester credit hours in which students are enrolled. The Federal Pell Grant program allows for payment of one (1) or more hours based on eligibility. Note the enrollment status definitions for financial aid purposes differ from academic enrollment.

**Fall/Spring 16-Week Sessions**
- Full-Time Student - Twelve (12) or more semester credit hours
- Three-Quarter-Time Student - Nine to eleven (9-11) semester credit hours
- Half-Time Student - Six to eight (6-8) semester credit hours
- Less Than Half-Time Student - One to five (1-5) semester credit hours
- Maximum Hours Allowed - Eighteen (18) semester credit hours

**Summer Session**
Summer sessions I and II are combined for financial aid purposes. It is recommended that students register for a minimum of six (6) semester credit hours prior to the start of Summer I in order to be eligible for all possible sources of aid that may be available. Students planning to attend summer sessions I and II should register for both sessions prior to the start of Summer I in order to receive funding for Summer II.

Maximum Hours for Payment: Six (6) semester credit hours for each session with a combined twelve (12) semester credit hours.
Withdrawing from College and Returning Financial Aid Funds

It is important that students know the census date for each semester or session. Although students may be awarded aid based on the number of hours they register for at the start of the semester, financial aid will be recalculated on the basis of the number of hours in which they are still enrolled by the census date(s). For example, students who are initially awarded as full-time (twelve (12) hours) will have their financial aid award adjusted to half-time if they have dropped to six (6) hours by the census date(s) that apply to the student. For some aid programs this means that the student has to pay back half of the aid received.

A drop in enrollment (but not 100% withdrawal) after the census date(s) will not impact the amount of aid received with two (2) exceptions:

1. Loans cannot be disbursed at any time in the semester when a student is enrolled in less than six (6) hours. All enrollment adjustments (drops and adds) must be complete as of the end of business on the semester census date. Pell Grant amounts may be adjusted after a census date depending on the student’s program.

2. When students withdraw 100% from TSC, federal regulations require all schools to pro-rate the amount of financial aid that they have earned based on the percentage of the semester that they have attended classes. The regulations require that such a percentage be calculated up until the 60% mark of the semester. Since in most cases students are disbursed 100% of their financial aid under the assumption that they will stay in school the entire semester, withdrawing before the 60% mark means they will have to pay back a portion of their financial aid. Failure to repay these funds results in Financial Aid Holds that prevent future registration at any college or university.

Return of Title IV Fund Order:
- Federal Unsubsidized Loans/Direct Loans
- Federal Subsidized Loans/Direct Loans
- Federal PLUS Loans/Direct PLUS Loans or Grad PLUS Loans
- Federal Pell Grant
- Federal Supplemental Opportunity Grant (SEOG)
- Federal Iraqi & Afghanistan Service Grant

If a student withdraws before financial aid is disbursed, financial aid amounts will be pro-rated according to federal regulations.

State, local, and institutional grants, loans, and scholarships are also subject to evaluation to assess impact of changes in enrollment status.

State and Federal Grants

Federal Pell Grant
Awards to eligible students are determined through the use of a payment schedule published annually by the U.S. Department of Education. Award amounts vary according to the:

- Educational costs at the institution (the cost of attendance);
- Student's enrollment status;
- Annual appropriations and award maximums set by Congress; and
- Expected Family Contribution on the student’s Student Aid Report.

Pell grant funds are awarded once per semester, and summer awards are made if the student’s annual eligibility has not been exhausted during the fall and spring semesters.
William D. Ford Federal Direct Loan Program
TSC provides loan funds directly from the Federal Government under the William D. Ford Federal Direct Loan Program.

To receive a Direct Loan, all students must complete the following requirements:

- Review and accept loan offer via TSC Online
- Complete loan entrance counseling
- Complete Electronic Master Promissory Note (eMPN) online at: https://studentloans.gov/myDirectLoan/index.action

For more information visit: http://www.studentloans.gov/

Federal Supplemental Educational Opportunity Grant (SEOG)
This program provides grants from $200 to $1,000 to undergraduate students with a zero (0) Expected Family Contribution who are working toward a degree or certificate in an eligible program.

Texas Public Educational Grant (TPEG)
Texas Public Educational Grants (TPEG) assists undergraduate students who demonstrate financial need as determined by the Financial Aid Office. The amount of the award is based on need and availability of funds. Students must be undergraduates who are Texas residents, non-resident students, or foreign students.

Towards EXcellence Access and Success Grant (TEXAS Grant)
The TEXAS Grant Program pays tuition for students who meet the following program criteria:

- Maintain current Texas residency status;
- Graduated from an accredited Texas high school no earlier than Fall 1998;
- Completed a recommended or advanced high school curriculum;
- Apply and qualify for financial aid;
- Meet the state’s financial aid criteria. The expected family contribution must be less than $4,000 and the student must demonstrate financial need;
- Enroll at least three-quarters time (nine [9] hours) in an Associate’s Degree or Certificate program;
- Enroll and receive the grant no later than the sixteenth (16) month after graduating from high school and before attempting more than thirty (30) college hours; and
- Not be convicted of a felony or crime involving a controlled substance.

Awards can be renewed based on criteria set by the Texas Higher Education Coordinating Board. In addition to the above requirements, students must meet the following renewal criteria:

- Not have earned an Associate or Baccalaureate Degree;
- Meet the college’s Satisfactory Academic Progress policy (See the Satisfactory Academic Progress policy in this catalog);
- Maintain a 75% course completion rate in the most recent academic year;
- Complete at least twenty-four (24) credit hours in the most recently completed academic year;
- Maintain a 2.5 GPA or higher and;
- Receive a TEXAS Grant for no more than ninety (90) attempted semester credit hours.
Texas Educational Opportunity Grant (TEOG)
The TEOG Program pays tuition for students who meet the following program criteria:

- Maintain current Texas residency status;
- Graduated from an accredited high school;
- Apply for financial aid, have less than $2,000 Estimated Family Contribution (EFC), and demonstrate financial aid;
- Enroll at least half-time;
- Be in the first thirty (30) attempted hours of a first certificate or degree plan program;
- Not have been convicted of a felony or crime involving a controlled substance; and
- Not be eligible for the TEXAS Grant Program.

Awards can be renewed based on criteria set by the Texas Higher Education Coordinating Board. In addition to the above requirements, students must meet the following renewal criteria:

- Not have earned an Associate or Baccalaureate Degree;
- Maintained a 75% course completion rate in the most recent academic year;
- Maintained a 2.5 GPA or better; and
- Received a TEOG for no more than seventy-five (75) attempted semester credit hours.

Top 10% Scholarship Program
Students who graduate in the top ten (10) percent of their high school class may qualify for a $2,000 scholarship. Students will be awarded on a first-come, first-served basis upon availability of funds. To be eligible for the first year, students must:

- Be Texas residents;
- Demonstrate financial need;
- Complete a FAFSA by March 15;
- FAFSA must be processed and cannot be in a reject status;
- Complete the Recommended or Distinguished Achievement HS curriculum;
- Rank in the top ten (10) percent by the end of the fall semester of the senior year in high school;
- Graduate from an accredited high school in Texas; and
- Enroll full-time in a Texas public 2-year or 4-year college or university in the fall semester following high school graduation.

To qualify for renewal, provided funding is available, students must:

- Complete thirty (30) semester credit hours in the previous year;
- Maintain a cumulative 3.25 GPA; and
- Complete at least 75% of hours attempted
**Student Loan Programs**

**Direct Student Loan Programs (Subsidized and Unsubsidized)**

Direct Student Loans are low-interest student loans certified by TSC and guaranteed by the federal government.

For subsidized loans, the federal government pays the interest while the student is enrolled at least half-time. Unsubsidized loans, on the other hand, require students to make interest payments or to agree to capitalize the interest, which is deferred but becomes part of the principle. Dependent students may borrow up to $3,500 during their grade level one (1) year and up to $4,500 in grade level two (2) in addition to $2,000 of unsubsidized loans each year. Independent students can borrow up to the same level of subsidized amounts per grade level, and as additional $6,000 in unsubsidized loan per year. Because subsidized loans are based on financial need, the Financial Aid Office establishes the amount students are eligible to borrow. Students must attend a counseling session concerning the loan, full repayment of which begins six (6) months after the student leaves school or drops below half-time status.

There is a limit on the maximum period of time (measured in academic years) for students, who are borrowing subsidized loan for the first time starting July 2013, can receive Direct Subsidized Loans. In general, students may not receive Direct Subsidized Loans for more than 150% of the published length of the program of study. This is called the "maximum eligibility period".

For example, if a student enrolls in a 2-year associate degree program, the maximum period for which the student can receive Direct Subsidized Loans is 3 years (150% of 2 years = 3 years). If a student enrolls in a 1-year certificate degree program, the maximum period for which the student can receive Direct Subsidized Loans is 1.5 years (150% of 1 years = 1.5 years).

The maximum eligibility period is based on the published length of the students’ current program of study. This means that the maximum eligibility period can change if students change programs. In addition, if students received Direct Subsidized Loans for one program and then change to another program, the Direct Subsidized Loans received for the earlier program will generally count against the new maximum eligibility period.

**Disbursement of Loan Funds**

Starting fall 2014, loans must be disbursed in two payments. For students who are attending fall and spring, the loan disbursements will be made one per semester. For students who are attending only one semester, the first disbursement will be made at the beginning of the semester and the second disbursement will occur when the student reaches the calendar midpoint between the first and last scheduled days of class of the loan period.

First Time Freshmen who are borrowing loans for the first time will receive their first disbursement 30 calendar days following the start of their program for the semester. For First Time Freshmen students enrolling for one (1) semester only, the second disbursement will occur when the student reaches the calendar midpoint between the first and last scheduled days of class for the loan period.

Students applying for loans are required to complete a loan counseling session and an exit interview if they are graduating, transferring, withdrawing, or dropping below half-time status from the college. For information on loan applications and deadlines, visit the TSC Financial Aid website. Additional information about the Federal Direct Loans program is available at www.studentloans.gov

**Federal Direct PLUS Loans Program**

The PLUS Program allows parents to borrow up to the cost of education for each dependent enrolled in college at least half-time. Repayment for parent borrowers begins sixty (60) days after disbursement of the entire loan amount. The PLUS loan amount, together with all other financial aid, may not total more than the student’s Cost of Attendance.
Consolidation Loan Program
Consolidation Loans may be arranged to combine loans made to a student under Title IV programs. These loans provide repayment periods appropriate for the total amount outstanding. For example, a student whose total loan debt exceeds $7,500 may be given a repayment period longer than ten (10) years. Repayment of a Consolidation Loan must begin within sixty (60) days after the selected loans have been consolidated. Students must contact their lenders to find out if they qualify for a Consolidation Loan.

Federal and State Work-Study Program
The Federal and State Work-Study Program provides a job for undergraduate students enrolled at least half-time who demonstrate financial need to help pay for their educational expenses. The hourly pay rate is typically above current federal minimum wage. The amount of Work-Study awarded depends on a student's financial need, availability of funding, and the amount of other aid the student receives. Students may not work more than nineteen (19) hours per week. Work-Study students are paid twice (2) per month.

The State Work-Study program requires applicants to be Texas residents attending a public or non-profit independent college in Texas. The state program further requires that students be enrolled at least half-time and not be on an athletic scholarship or enrolled in a seminary or other program leading to ordination or licensure to preach.

Registration
Current students and applicants who have completed admission processing are eligible to register. Students are encouraged to use online services for registration and tuition/fee payment.

- The College offers many services through web access through TSC Online. Internet access is provided through on-campus computer stations located near the Office of Admissions and Records in the Oliveira Student Service Center.
- Accessing records through unauthorized user ID and password can result in disciplinary action.
- Registration assistance is provided through the Office of Admissions and Records and Academic Advising.
- Students must adhere to the registration deadlines outlined in the 2014-2015 Academic Calendar.
- Students are encouraged to plan early for registration and make arrangements for payment before registration begins.

Assessment/Placement Testing
Texas House Bill 286 created the Texas Success Initiative (TSI) to ensure that all incoming college students are provided (1) assessment of their readiness for freshmen-level academic coursework, (2) advisement and educational support necessary to assist students who are not ready to enroll in academic coursework, and (3) evaluation to determine when they are ready to enroll in college-level coursework.

TSI measures mathematics, writing, and reading skills to determine a student’s readiness to enroll in entry-level freshman courses. Students are required to test and to be advised based on the results of their TSI Assessment scores. Students will not be denied admission to Texas Southmost College based on TSI or other college placement scores. However, testing is completed prior to enrollment in classes.

TSC has a central Testing Center located in Oliveira Student Service Center which administers tests required for Texas Success Initiative. The Testing Center publishes a calendar of testing times on their website, which can be found through the TSC website. Students are encouraged to sign up for tests ahead of time. A fee is required. Students should contact the Testing Center for additional information.

Test scores are usually available immediately following testing. Academic Advisors can assist students with score interpretation.

Students must complete a pre-assessment activity (PAA) prior to taking the TSI Assessment Test. The PAA is also offered at the Testing Center.
Students are encouraged to retest one time after not demonstrating college readiness on the TSI Assessment the first time. However, TSC strongly recommends not to retest multiple times. College preparatory (developmental education) courses may benefit the student.

Testing Requirements for Mathematics, English and Reading Restricted Courses
All TSI liable students will be required to submit appropriate test scores before enrolling in college-level mathematics, English and/or reading restricted courses. Successful completion of prerequisite courses many substitute for placement test scores. Testing requirements for specific courses are outlined in the course descriptions found on the TSC website under “Academic Degrees and Certificates.” Additional information is available at the Academic Advising Center.

Approved Exemptions and Waivers
TSI Exemptions and Waivers apply only to TSI requirements. Documentation of eligibility for an exemption or waiver is required. Students should contact the Office of Admissions and Records or Academic Advising for additional information about TSI requirements and restrictions and to determine specific documentation required.

Students who qualify for a TSI Exemption are not required to test for TSI purposes, may not enroll in college preparatory (developmental) coursework and/or interventions in the corresponding area of exemption. However, all prerequisites for enrollment in specific courses must be met.

Exemptions:
1. TASP Exempt – Students who attended a regionally accredited postsecondary institution prior to the Fall of 1989.
2. Score Exempt – Students who achieved certain scores on the SAT, ACT, TAAS, TAKS, or STAAR EOC test may be fully or partially except.
3. Degree – Students who have earned an associate or higher degree from a regionally accredited postsecondary institution or from a recognized international institution.
4. Private or Out-of-State Transfer – Students who have earned at least 3 semester hours of college-level credit at a regionally accredited private or out-of-state postsecondary institution.
5. Military Exempt – Students who were honorably discharged, retired or released from active duty or from Texas National Guard on or after August 1, 1990.

Waivers:
1. Certificate Waiver – Students pursuing a one-year Certification of Completion or no more than 42 semester hours must take the TSI Assessment, but are exempt from all three parts of the TSI Assessment if scores identify student as not college ready. Regardless of test scores, Certificate students may enroll in any course required for that certificate.
2. Non-degree Seeking Waiver – Students who are not seeking a degree or certificate from a Texas public institution of higher education may qualify; enrollment may be restricted.
3. Military Waiver – Students serving on active duty as a member of the Armed Forces of the United States or the Texas National Guard, or serving as a member of a reserve component of the Armed Forces of the United States for at least the three-year period preceding enrollment.

All TSI waivers must be renewed each term and all course prerequisites must be met.

College Preparatory Courses (Developmental Education)
Students who score below specified level of the TSI Assessment will be required to enroll in college preparatory (developmental education) courses until “C” or higher grades are earned in college preparatory courses or until the student passes a retest in the same area. A First Time In College (FTIC) student assessed as needing remediation in any area is required to complete all college preparatory (developmental education) courses before enrolling in college-level coursework. If a College Preparatory Studies (CPS) student is enrolled in the exit level college preparatory course (e.g. INRW 0422 or MATH 0322), a student may be allowed to take college-level courses that do not require TSI standards.
Holistic Advising
The Texas Higher Education Coordinating Board has mandated Holistic Advising for placement.

TSI Rule 4.53: Definitions
(9) Differentiated Placement—Advising and placement of students based on individual strengths and needs. Placement may be based on:
1. TSC Assessment Cut-Score
2. Diagnostic Profile
3. HS GPA/Class Ranking
4. Prior Coursework
5. Workplace experience
6. Non-cognitive factors (motivation, self-efficacy)
7. Family Life issues (job, transportation, finances, childcare, etc)

Developmental courses do not transfer as college credit to other colleges and universities and do not count as credit toward graduation requirements.

Accelerated Programs
Texas Southmost College is committed to implementing policies and instructional delivery techniques based on research and best practices as determined by the latest research and pedagogies utilized by developmental education experts. Accelerated learning is the reorganization of instruction and curricula as to expedite the completion of developmental education coursework. This means that TSC students may begin their program coursework sooner and reach their ultimate goals faster.

TSC currently offers a variety of accelerated learning opportunities:
- Accelerated 8-Week Programs
- Co-requisite Programs
- College Prep Programs
- Mainstreaming Programs
- Non-course Competency Based Options (NCBO)

More information regarding the listed programs can be found the TSC Division of College Preparatory Studies website.

English for Speakers of Other Languages (ESOL)
ESOL courses are considered college preparatory (developmental education) courses. In addition to the TSI Assessment, TSC students may be required to take ESOL placement tests. The College has the right to require students to enroll in ESOL courses if it is determined that such courses would benefit the student.

Attendance and Participation in College Preparatory (Developmental Education) Courses
Students taking college preparatory mathematics, reading and/or writing courses are required to attend class and to keep up with course assignments. Since attendance and participation are essential to student success, an attendance policy is strictly enforced in all CPS courses. The attendance policy is posted in all CPS course syllabi. A student who is excessively absent and/or does not keep up with course assignments may be withdrawn at the discretion of the instructor.
**Freshmen Seminar Course**
TSC is committed to supporting students in meeting their educational goals by requiring a Learning Framework course (ORIN 0101) for all First-Time-In-College (FTIC) students and transfer students who have completed less than 12 semester credit hours.

The Freshman Seminar course examines factors that underlie learning, success, and personal development in higher education. This course focuses on the research and theory in the psychology of learning, cognition, and motivation. It includes information such as processing and self-regulation, factors that impact learning, strategic learning, and educational and career planning.

**Course Numbering System**
All courses are designated with a prefix, which denotes the field of study and a four-digit course number.

Course Numbering Guideline:
- The first digit of the number indicates the classification of the course: 1 – freshmen, 2 – sophomore, 0 – developmental (Exemption: ORIN 0101)
- The second digit indicates the number of semester hours credit the course carries.
- The last two digits indicate the course sequence. Thus ENGL 1301 would be the first English course in the sequence.
- Courses listing a Texas Common Course Number comply with the Texas Common Course Numbering System (TCCNS). These courses are designed to transfer to public colleges and universities in Texas.
- Courses that are designed for a specific technical program follow the Workforce Education Course Manual content and numbering system.

**Prerequisite and Co-requisite Courses**
Prerequisite Course: A prerequisite is a course that must be completed (often with a certain minimum grade) or a skill that must be demonstrated before you can enroll in a more advanced course. For example, English Composition I is a prerequisite for English Composition II.

Co-requisite Course: A course that a student must enroll in at the same time as the desired course. For example, a Biology course must be taken with an accompanying Biology Lab.

All required prerequisite and co-requisite courses are enforced when a student attempts to register.

**Semester Course Load**
The minimum semester load for full-time status in a fall or spring semester is 12 credit hours. Students who wish to enroll in more than 18 hours must have the approval of the division dean.

A summer semester consists of a variety of variable length terms. The normal summer semester load is six to eight hours. Students who wish to enroll in more than nine hours must have the approval of the division dean.
Workforce Training and Continuing Education
The mission of Workforce Training and Continuing Education is to fulfill the educational needs of the community by providing high quality and affordable training that delivers the appropriate instruction and skill-set to meet the growing demands of a challenging workforce. Our staff is committed to providing outstanding instruction and services to our community in areas such as: business, languages, technology, public safety and health.

Program goals:
1. Develop programs that are pathways toward a rewarding career
2. Develop programs that provide tools for advancement within an existing career
3. Develop entry programs that lead to a certificate or associate degree

To learn more, contact Workforce Training and Continuing Education at:
International Technology Economic and Commerce Center (ITECC)
Suite D3A-102
301 Mexico Blvd
Brownsville, Texas 78520
(956) 295-3724

Dual Enrollment
The Dual Enrollment program builds an academic bridge to college, providing students and their parents with a preview of post-secondary standards and expectations while studying in a familiar high school classroom setting.

Through the Dual Enrollment program, eligible high school students may enroll in college courses while attending high school; taking courses in place of, or in addition to, the normal course load at their high school. High school students admitted to the program must meet the same requirements as all other college students within the guidelines established by The Higher Education Coordinating Board (THECB).

Students participating in the program may receive college credit only, or both high school and college credit, as determined by the policy of the student’s high school. College credit earned upon successful completion of Dual Enrollment courses may be applied towards an Associate Degree at TSC or may transfer to other colleges and universities.

For information regarding the admission process for dual enrollment students, please see the “Admission” section in this catalog.

Early College High School
Through the Early College High School program (ECHS), eligible high school students may enroll in college courses while attending high school; taking courses in place of, or in addition to, the normal course load at their high school. High school students admitted to the program must meet the same requirements as all other college students within the guidelines established by The Higher Education Coordinating Board (THECB).

Students participating in the program may receive college credit only, or both high school and college credit, as determined by the policy of the student’s high school. College credit earned upon successful completion of ECHS courses may be applied towards an Associate Degree at TSC or may transfer to other colleges and universities.

For information regarding the admission process for ECHS enrollment students, please see the "Admission" section in this catalog.
Adds, Drops and Withdrawals
Students should carefully consider all options before registering and changing their schedules. The registration period ends approximately a week before the first day of the term. A schedule change period is provided each semester prior to the start of the term. From the beginning of classes through the Census Date, changes made in courses will not appear on the official transcript. Students withdrawing after the Census Date will receive a grade of “W” during the withdrawal period. Official “W” recording dates are listed in the Academic Calendar.

It is very important to consider that:
• All class schedule adjustments must be recorded and officially processed by the Admissions and Records Office and may require approval from academic departments.
• Withdrawing from a class after the Census Date may affect a student’s ability to re-enroll in the course without an increase in the tuition charged for the course and/or may count toward the maximum drop/withdrawals allowed by a Texas ruling. See “Drops and Withdrawals” below.
• Adding or dropping classes, or withdrawing from all classes, can impact financial aid eligibility. Students should review the financial aid policies on withdrawing from classes. Students who receive financial aid should understand that simply notifying Student Financial Services offices of enrollment changes is not official notification to Texas Southmost College.
• No drops or withdrawals will be accepted by phone or over the Internet.

Add/Drop forms may be picked up in the Admissions and Records office. Students are responsible for following up and confirming that requests to withdraw from classes have been processed.

Adds
Classes may only be added during open enrollment or designated add/drop periods. Once the semester/session begins, students may not add a class. See the “Academic Calendar” section of this catalog for important dates.

Students may add classes:
• During open enrollment
• During designated add/drop periods

Drops and Withdrawals
Students may withdraw completely from the College or drop a class at any time during open enrollment or designated add/drop periods. Once the semester/session begins, students may drop a class without a recorded grade up until the official semester/session record date (census). After the official record date, students may withdraw from classes until the final semester/session withdrawal deadline. Withdrawing during this period will result in a W on the student’s transcript. See the “Academic Calendar” section of this catalog for important dates.

Students may drop classes:
• During open enrollment
• During designated add/drop periods
• After classes begin, but before the official record date

Students may withdraw from classes:
• After the official record date (W on transcript)
Faculty Initiated Drops
Faculty may process drops for non-attendance when it results in a lack of progress. The course syllabus should include any established attendance policy and students should discuss absences or issues relating to attendance with each instructor.

Students are expected to be actively engaged in learning during enrollment at Texas Southmost College, attending class on the first day and throughout the semester.

College Initiated Drops
The College reserves the right to drop students from classes for student code of conduct violations and for non-attendance.

- Faculty at Texas Southmost College are required to take daily attendance. At the beginning of each semester/session, the College may drop students who have not attended class.

- Violations of the TSC Student Code of Conduct may result in disciplinary sanctions. These sanctions include being dropped or withdrawn from classes.

Three-Peat (Third-Attempt) Enrollment Ruling
Texas Southmost College will charge a higher tuition rate to students registering the third (3) or subsequent time for a course. The State will no longer subsidize a student’s enrollment for the third (3) or subsequent attempt. Students should meet with an advisor to determine if they are repeating a course for the third (3) time.

Developmental Education Enrollment Ruling (27-Hour Rule)
Texas Southmost College will charge a higher tuition rate to students registering for college preparatory (developmental education) courses who have accumulated at least 27 hours of credit in developmental education courses. College preparatory courses include all courses that begin with a zero (0), with the exception of ORIN 0101.

Six Course Drop Ruling
Students are limited to a total of six (6) course drops during their undergraduate career, including a course(s) dropped at another institution as defined in Section 51.907 of the Texas Education Code, which limits the number of courses that may be dropped under certain circumstances. A dropped course is defined as a course in which an undergraduate student at an institution of higher education has enrolled for credit but did not complete under these conditions:

- the student was able to drop without receiving a grade or incurring an academic penalty;

- the student’s transcript indicates or will indicate that the student was enrolled in the course past the deadline to add and drop prior to the census date; and

- the student is not dropping the course in order to withdraw from the institution.

Students must visit the Admissions and Records Office to apply for a Six Drop Waiver. Exceptions to the course drop limit include a total withdrawal from the institution and an approved waiver drop.

Students should carefully consider the number of courses to take and the time commitment required to be successful. Students with a cumulative total of six (6) drops will be awarded the grade earned at the end of the semester.
Official Withdrawals
A total withdrawal from Texas Southmost College is not counted in the above statute. If a student drops one or more courses during the semester before withdrawing completely, the student’s individual drops will be counted in the complete withdrawal. Students may withdraw only after meeting with a faculty member or advisor.

To officially withdraw from Texas Southmost College students must:

- Resolve all financial obligations to Texas Southmost College.
- Submit withdrawal forms to the Admissions and Records office.

Withdrawal for Military Service
Military students may want their transcripts to reflect that they withdrew due to military reasons or may request that their transcripts show no indication that they were enrolled, and the course(s) will be permanently removed from their transcript. If a student withdraws as a result of being called to active military service, Texas Southmost College, at the student’s option and with proper documentation, shall:

- Grant a student who is eligible under Texas Southmost College guidelines a grade in all courses by designating “Withdrawn-Military” (WM) on the transcript, or
- As determined by the instructor, assign an appropriate final grade or credit to a student who has satisfactorily completed a substantial amount of coursework and demonstrated sufficient mastery of the course material.

Texas Southmost College shall provide a 100% refund with the presentation of military orders.

Reinstatement to Class
A student dropped for excessive absences resulting in lack of progress may be reinstated to class at the discretion of the instructor of record only if circumstances justify reinstatement. The appropriate reinstatement form must be signed by the faculty member and submitted to the Admissions and Records Office. A reinstatement fee may apply.

Student Services

Student Handbook
The Student Handbook serves as a guide to help students learn about programs and opportunities at TSC, as well as to set forth basic expectations for students. The handbook will answer many questions students may have about academics, conduct, programs and other day-to-day aspects of school life. The Student Handbook is available on the TSC web site. All students are expected to be familiar with the contents of the Student Handbook.

Advising Center
TSC provides academic advisement to students at the Advisement Center, located in the Oliveira Student Services Center. All current or returning TSC students are encouraged to meet with an advisor before registering to discuss course selection and preparation of degree plans. Students not deemed “college ready” according to Texas Success Initiative (TSI) requirements are required to meet with an Academic Advisor until TSI requirements are met. First-Time-in-College (FTIC) students must see an advisor during their first year of attendance at Texas Southmost College.
It is important that all students visit with an Academic Advisor on a regular basis. Your advisor will provide assistance with:

- Academic and admission advising
- Degree and certificate planning
- Assessment interpretation
- Information on academic programs
- Course placement and selection
- Registration assistance
- Assistance with dropping or withdrawing from a course
- Graduation requirements
- Referral to on-campus student services
- Referral to community services
- Change of major

**Testing Center**

Texas Southmost College requires assessment for each student in reading, writing, and mathematics to determine proper placement into college entry courses. The TSC Testing Center is committed to the success of our students and surrounding community by offering a variety of testing services that advance students’ higher educational goals.

Testing Services Include:

- TSI Assessment testing on-campus and off-campus
- ESOL Accuplacer testing
- Pre-Assessment Activity session
- Proctor Distance Learning exams
- Coordinate TSI Assessment with Disability Services office
- Enter valid and official placement scores
- Enter valid and official credit by exam scores
- Evaluate TSI College-Ready from Official transcripts
- Refer to on-campus and community services

Test Office Requirements:

- Always have a Photo-ID
- Student must have a TSC ID number in order to test or to submit scores for entry in their Colleague account. *TSC ID number is created for student after student successfully submits an application on ApplyTexas.
- Student must register in person.
- In order for students to test with TSI Assessment, the student must complete a Pre-Assessment Activity or have previous experience with placement tests. Placement tests examples: TSI Assessment, COMPASS, ACCUPLACER, THEA, or ASSEST
- TSI Assessment registration must take place at least 1-day in advance and by scheduled appointment.
- Official test scores must be requested 1-day in advance by submitting Official Test Score form.
- Students interested in scheduling a Proctored exam must submit a Proctor Request form.
- Students requesting Credit-by-Exam scores to be entered must submit an AP/CLEP Score request form.
**Transfer, Career and Employment Center**

One of the best ways to ensure career success is to establish a clear focus on the career path you wish to pursue. Transfer, Career and Employment Center staff can guide you through college transfer planning, the career planning process, and securing employment upon graduation.

**Transfer Planning**

During their enrollment at Texas Southmost College, students are advised to fulfill the lower division requirements for the college or university program. Students wishing to transfer into a baccalaureate or professional degree program should obtain an undergraduate catalog of the university to which they plan to transfer and consult with a representative from the Transfer, Career and Employment Center. Texas Southmost College makes every effort to aid students wishing to transfer; however, the student must consult with the senior college or university to ensure appropriate courses are taken at Texas Southmost College.

Transfer, Career and Employment Center staff also provide students with information concerning university admission requirements, degree program requirements, scholarships, housing, and university contact information. A transfer fair is held annually that provides students an opportunity to visit with university recruiters; and university transfer advisors from select institutions are scheduled each semester to advise prospective transfer students.

**Career Planning**

Career planning is an ongoing process that takes time, energy, and commitment. It involves developing an awareness of your skills, abilities, values, strengths, interests; and learning about the various types of occupations that exists and what is required to accomplish your goals. The Transfer, Career and Employment Center offers career assessment tools to help match your skills, interests, personality, and values with various careers. Students who are undecided in their major are strongly recommended to start the career planning process early in their educational career.

**Job Readiness**

The Transfer, Career and Employment Center provides job readiness services to students and alumni. Students receive individualized services to develop job readiness skills, including effective resume writing, developing interviewing skills, employment referrals, and job market information.

**Counseling Center**

Many students face life challenges that can make accomplishing their academic goals difficult. The Counseling Center is available to assist with those challenges by encouraging personal and academic growth to help each student successfully meet life’s challenges.

Enrolled students are eligible for personal counseling services, and there is no fee. The counselor respects the confidential nature of discussions to the limits provided by law. No record of a student’s visit is made on any academic file.
Disability Support Services
Disability support services are provided to qualified students with learning, physical, developmental, mental and emotional disabilities who are attending Texas Southmost College. Under the Americans with Disabilities Act (ADA) of 1990, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities. Reasonable accommodations are provided by the College to ensure access to all courses, programs, services, jobs, activities and facilities.

Support Services Include:

- Testing accommodations for placement testing and academic tests.
- Adaptive Technology: screen magnification, speech synthesized software, voice activated software, hearing amplification systems (FM systems), and more.
- Adaptive furniture.
- Readers, Scribes (writers), and Sign Language Interpreters.
- Campus and community referrals.
- Other appropriate academic modifications and disability-related information.

Individuals need to be eligible for accommodation services before the services will be approved and provided. To become eligible, an individual will need to:

- Complete a Request for Services form.
- Provide current documentation for the disability for which services are requested. Documentation must be from a competent and qualified source capable of making that diagnosis within their profession.
- Arrange an intake appointment with Disability Support Services. Be prepared to spend at least one hour to meet with a counselor and complete the initial intake appointment.
- The counselor will determine if the student meets the criteria to receive accommodations, and if so, what accommodations are appropriate.

Approved accommodation services may be provided each semester if the eligible student informs Disability Support Services that services are needed for the current term. Requests to continue approved services must be in writing. Hand-written notes or e-mail requests to Disability Support Services are not acceptable.

Student Activities
Texas Southmost College is committed to providing a campus climate that encourages students to participate in programs that promote academic and personal enrichment through the merging of classroom instruction and campus involvement. Through campus involvement, students gain valuable experiences and develop skills in leadership, management, interpersonal communication, problem solving and collaboration.

Student Organizations
Student Organizations assist students in developing a connection and commitment to Texas Southmost College while promoting leadership development, self-confidence and effective group participation. Student Organizations provide students with the opportunity to supplement classroom work with activities that meet personal needs for recognition, growth, companionship, civic involvement and creative effort.

Student Government Association
The Student Government Association provides a forum for free and open discussion of matters affecting students at Texas Southmost College. The Student Government Association promotes the general welfare of the student body by serving as an advocate for student issues and presenting the student perspective to campus administration, faculty, and college committees.
**Campus Activity Board**
The Campus Activity Board fosters the personal growth of individuals and promotes the development of socially responsible citizens and leaders by encouraging and ensuring the active participation of students and student organizations in the planning, implementation and evaluation of programs and organizational activities that meet the wide variety of student needs and interests and enhance the sense of community at Texas Southmost College.

**Veteran and Military Services**
Texas Southmost College welcomes all veterans and active duty military personnel and their families. TSC is absolutely committed to maintaining an environment of academic success and professional development for all of its students. TSC thanks you for your service to our country and we hope to provide a level of service and atmosphere that conveys our appreciation. The mission of the Veteran’s Office is to support veterans and family members by providing resources to facilitate the transition from military to academic life; and to provide an environment where veterans can gather to share experiences and support one another through the educational process.

**Library**
The Library is a shared service between Texas Southmost College and The University of Texas at Brownsville. The Library provides services and collections in support of research, teaching, and learning. The Library [web site](#) provides access to thousands of scholarly journals and e-books, all available to students, faculty, and staff 24/7 from any location worldwide. The physical library holds a wide array of print books, DVDs, archives, and more, as well as 20 study rooms that are available to be checked out for both group and individual study. Librarians are available to assist students with research in-person, via phone, chat, text, or email.

All currently enrolled students at Texas Southmost College may access Library content via the Library [web site](#) or in person, with their TSC student identification card.

**New Student Orientation**
All new students and transfer students with less than 12 credit hours must attend New Student Orientation. During the orientation, students will:
- Obtain their TSC credentials
- Learn how to access TSC Online
- Set-up their student email account
- Review Pearson Learning Studio
- Learn about satisfactory academic progress and good standing
- Discover other services and programs critical to their success as a student at TSC

**Learning Labs**
The Learning Lab facilitates academic success by offering student-centered peer tutoring from caring and supportive peer tutors. Students may work with tutors in a one-on-one setting or in groups. Study rooms are also available at no charge. The Learning Lab is located upstairs in the Oliveira Student Services center.

**Open Computer Lab Usage**
Texas Southmost College offers several open use computer labs where students can access TSC Online and Pearson Learning Studio, check their email, and work on class assignments. There is no charge to utilize open lab computers; however, there may be a charge to print documents.
Student Identification

User ID and Password
User IDs and passwords provide security access to the online registration system and student email. Once a student is admitted to TSC, a default PIN is assigned. Students will then be able to log in and assign themselves a unique password.

Identification Card (Photo ID)
Students are required to have a Texas Southmost College ID. Students seeking a student photo ID must be registered with tuition paid, be enrolled in an installment plan, or have no tuition balance. Students must provide a valid photo ID (such as a Texas driver’s license) along with their class schedule to receive a college student photo ID. All students must present a student identification card for access to such services and activities as library usage, campus recreation facilities, special events, academic advisement, etc.

Public Safety

Campus Parking Regulations
If a student plans to park a vehicle on the campus, they must register the vehicle and display a current permit tag. Purchasing a parking permit does not guarantee a parking space but does authorize parking in designated parking areas under control of Texas Southmost College. Students may purchase a permit any time at the Cashier’s Office during regular office hours. Only registered students are allowed to obtain parking permits. Temporary Parking Permits are available from the Cashier’s windows in Tandy Hall.

More information is available on the Parking Permits and Enforcement web page.

Safety
The safety of students, faculty, staff and visitors is of vital concern to Texas Southmost College. Everyone in the campus community is involved in creating a safe environment and is encouraged to report all safety concerns by calling campus security. Texas Southmost College contracts with a security agency that works closely with local police. The contact number for Security (956) 542-8256 for non-emergency situations. When calling, please identify yourself, your location and the situation so that you can be properly assisted. If you have a medical emergency, crisis or other life threatening situation needing a police officer or emergency medical responder, you should immediately call 911.

Lost and Found
Texas Southmost College maintains a Lost and Found in the Security Office, located in Tandy Hall.

Class Cancellations Due to Inclement Weather
Classes at Texas Southmost College may be cancelled due to inclement weather. Notification is made through local radio and TV stations, and on the College web site. If classes are cancelled due to inclement weather or other emergencies, attempts will be made to assure that classroom hours are rescheduled. Students will be notified through the Texas Southmost College Web site and through their TSC email account.

Digital Learning Environment
Texas Southmost College fosters an environment where learning is an active process allowing students to engage in knowledge acquisition, application, creation, evaluation, and analysis. To meet the needs of its diverse learners and to prepare students for the technologies of the 21st century, TSC provides students with a fully digital experience while offering traditional face-to-face courses. Learning materials, such as textbooks and supplemental resources are 100% digital whenever possible; however, all classes are offered with face-to-face instruction.
**Educational Technologies and Curricular Innovation (ETCI)**

Many students balance work and family responsibilities with their educational goals, so by offering affordable and easily accessible, web-based digital course learning materials, TSC students have more options available to them when receiving important class information and course content. The Office of Educational Technologies and Curricular Innovation (ETCI) supports the institution’s teaching and learning activities providing students, faculty, and staff members with a reliable online technology platform, including:

- **eTextbooks**, learning materials that can be read on multiple displays - laptops, tablet readers, and smartphones

- **MyLab**, a personalized student learning experience

- **Pearson Learning Studio**, a cloud-based learning management system with advanced data analytics applications to monitor, analyze, and track trends in student performance

- **Smarthinking**, a live on-demand online tutorial service that offers vibrant interactive graphics

- **Pearson Instructor Education services** for faculty development
TSC Online
TSC Online, the College’s electronic communication tool, connects current and prospective students, faculty and staff to online academic communities, delivers targeted content to diverse user groups and takes advantage of the TSC’s robust information technology services to enhance learning, student services, campus life and outreach.

TSC Online provides faculty and students with access to online course content, discussion forums, journals, online tutoring, document sharing, chat, webliography postings, and live web conferencing. These enhanced TSC Online tools are available for courses; however, all courses are taught with face-to-face instruction.

Students Sign-In by following these steps:

Log on to Texas Southmost College main page [http://tsc.edu/](http://tsc.edu/)

Step 1 – Log on to TSC main page

![TSC Online Login](image)

Step 2 – Select “eCollege”

![eCollege Page](image)

Step 3 – Student will be able to see his/her courses

![Course List](image)

Academic Standards

Attendance

Academic success is directly tied to the effort students put into their studies, the degree to which they interact with faculty and peers, and the extent to which they integrate into the campus life. Attendance has a significant impact on performance, and attendance during the first week is integral to success. Regular and punctual attendance in all classes and laboratories is expected of all students.

Students who are absent for any reason should always consult with their instructors. Course syllabi provide specific information regarding attendance, including, for courses involving the internet, online activity that constitutes “attendance.” Also, both tardiness and early departure from class may be considered forms of absenteeism. In all cases, students will be held responsible for completion of course requirements covered in their absence. Additionally, it is the student’s responsibility to drop a course for non-attendance.

Course instructors establish policy with regard to attendance in their respective syllabi and may drop a student for excessive absences. Absences are counted regardless of whether they occur consecutively. In special programs with additional accreditation or certification standards, additional attendance requirements may be enforced and faculty will clearly explain these policies in their syllabi.

Students who stop attending class for any reason should contact the instructor and the Admissions and Records office to officially withdraw from the class. Students may be required to consult with a faculty member or designee before dropping. Failure to officially withdraw may result in a failing grade for the course. It is the student’s responsibility to withdraw officially from a class by submitting a completed Withdrawal Form to the Admissions and Records office.
Final Exams
The TSC Final Exam Schedule can be found on the TSC website.

Grades

Grading System
Course instructors establish grading policy in their respective syllabi. Permanent grades are recorded only at the end of each semester/session. The grades used are:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Explanation</th>
<th>Quality Points per Semester Hour</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90-100</td>
<td>4.00</td>
</tr>
<tr>
<td>B</td>
<td>80-89.99</td>
<td>3.00</td>
</tr>
<tr>
<td>C</td>
<td>70-79.99</td>
<td>2.00</td>
</tr>
<tr>
<td>D</td>
<td>60-69.99</td>
<td>1.00</td>
</tr>
<tr>
<td>F</td>
<td>Below 60 (Failure)</td>
<td>0.00</td>
</tr>
<tr>
<td>AU</td>
<td>Audit</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>P</td>
<td>Pass</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>CR</td>
<td>Credit</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>NR</td>
<td>No Grade Reported</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>W</td>
<td>Withdrawn</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>WM</td>
<td>Withdrawn Military</td>
<td>Not used in computing GPA</td>
</tr>
<tr>
<td>WS</td>
<td>Withdrawn, excluded from Academic Progress</td>
<td>Not used in computing GPA</td>
</tr>
</tbody>
</table>

Note: Specific programs of study may have modified grade scales based on the needs of the program to meet the programs outcomes.

Incomplete Grades
The conditional grade of “I” may be issued to a student having a passing average on all completed coursework but for a justified reason, such as illness or death in the family or by providential hindrance, has been prevented from taking the final examination or completing other required coursework. The “I” becomes an “F” following the completion of the next long (fall or spring) semester, unless the student completes the balance of the coursework with a performance grade of “D” or higher. Re-enrollment in the course will not resolve the “I.”

Grade Availability
At the end of the term, students for whom no final grade is posted by the faculty will have a grade of NR (Not Recorded) assigned. Students should follow up with their instructor or, should the instructor not be available, the appropriate Dean regarding questions about grades.

Grade Changes
A student has a maximum of thirty (30) days from the end of the semester or term in which the final grade was issued to request a review of the grade or petition for a change of grade. The responsibility for determining all grades and for judging the quality of academic performance in a course rests with the instructor assigned to the course. A student who believes that the grade received is incorrect should first schedule a conference with the instructor to resolve the issue. If the student is unable to reach an agreement with the instructor, the student may initiate the Texas Southmost College Grade Appeal process. When the instructor cannot be located in a timely manner by the student, the student should contact the appropriate Academic Dean.

Grade Point Average (GPA)
The GPA is derived by dividing the total number of quality points by the total number of semester credit hours attempted (not including AU, I, P, CR, NR, W, WM, WS) for which grades have been received. The average is based on all semester and term coursework.
Calculating the GPA:
1. Multiply the number of semester credit hours each course is worth by the quality points earned.
2. Add these values.
3. Divide this sum by the number of semester credit hours attempted.

For Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Semester Hours</th>
<th>Quality Points</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>BIOL 1406</td>
<td>4</td>
<td>3.00 (B)</td>
<td>12</td>
</tr>
<tr>
<td>ENGL 1301</td>
<td>3</td>
<td>2.00 (C)</td>
<td>6</td>
</tr>
<tr>
<td>SPAN 1411</td>
<td>4</td>
<td>4.00 (A)</td>
<td>16</td>
</tr>
<tr>
<td>PSYC 2301</td>
<td>3</td>
<td>2.00 (C)</td>
<td>6</td>
</tr>
<tr>
<td>KINE 1104</td>
<td>1</td>
<td>4.00 (A)</td>
<td>4</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>15</strong></td>
<td></td>
<td><strong>44</strong></td>
</tr>
</tbody>
</table>

\[
44 \div 15 = 2.93 \text{ GPA}
\]

**Repetition of Courses**
Once a course is repeated, the most recent grade earned (excluding a W) will be the one recorded in the GPA. Other colleges and universities may not follow this practice. Students planning to transfer to another institution should check with that institution concerning its repeat policy for admissions criteria.

**Academic Standing and Probation**
Acceptable scholastic performance, also known as “Good Standing,” is based upon student progress toward successful course and program completion. The components used to compute Academic Standing are GPA and course completion.

**Academic Freedom for Students**
Students shall be free to be guided by scholarly research, study the substance of a given discipline, examine pertinent data, question assumptions, take reasoned exception to information and views offered in the classroom, and reserve judgment about matters of opinion.

**Good Standing**
Students are considered in Good Standing if they maintain a minimum overall GPA of 2.0, including developmental courses. Good Standing is affected if overall GPA falls below 2.0 at any time (end of a fall, spring, or summer semester term).

**Academic Probation**
- Students who begin any semester term in Good Standing, but fail to maintain a cumulative GPA of 2.0 or higher, are placed on Academic Probation. Notification of probationary status is communicated electronically through students’ TSC email address.
- Students may re-enroll for one (1) semester term when placed on Academic probation, only after meeting with an Advisor.
- Student status is evaluated after each semester term. Students must earn a semester term GPA of 2.0 or higher to remain enrolled while on Academic Probation.
- Academic Probation status is removed when students earn a semester and cumulative GPA of 2.0 or better.
**Academic Dismissal (First or Second Academic Dismissal)**

- If students on Academic Probation or Continued Academic Probation fail to earn a semester term GPA of 2.0 or fail to earn a cumulative GPA of 2.0 in the next semester term following the probation status, they will be placed on Academic Dismissal. Students placed on Academic Dismissal will receive an email notification to their TSC email account.

- After remaining out for one (1) semester term (fall or spring) for each of the First or Second Academic Dismissals, students may re-enter on Academic Probation only after receiving advisement.

- Students re-admitted must continually earn a semester term GPA of 2.0 or above until Good Standing is reached to remain enrolled.

- Students may re-enroll in Good Standing if minimum academic standards have been met at another accredited college or university during the period of dismissal.

- Students placed on Academic Dismissal for the third (3) time will not be allowed to enroll for one (1) calendar year.

In addition to the policies above, students may be required to reduce their course loads and/or participate in workshops or other academic success seminars designed to teach proven strategies for academic success.

Students receiving benefits from the Department of Veterans Affairs who fail to maintain Good Standing will be reported to the DVA Regional Office as making Unsatisfactory Progress.

**Honors in Graduation**

At the time of graduation, students earning an associate degree will be recognized for sustained scholastic excellence by graduating with appropriate honors. Honors will be based upon students’ cumulative grade point average on all non-developmental undergraduate hours taken. If courses have been repeated, the last grade recorded will be used in determining grade point average. Honors are as follows:

- Summa cum laude: 3.900-4.000
- Magna cum laude: 3.700-3.899
- Cum laude: 3.500-3.699

**Graduation**

Texas Southmost College confers degrees and certificates three (3) times a year, at the end of the fall, spring, and summer II semesters. Commencement is held twice a year at the end of the fall and spring semesters. Summer graduates may walk in either the fall or spring ceremonies.

Texas Southmost College offers recognition for satisfactory completion of work in the following forms:

- Associate of Arts Degree
- Associate of Science Degree
- Associate of Arts in Teaching
- Associate of Applied Science Degree
- Certificates

**Graduation Application**

To be awarded a degree or certificate, students should request preparation of a degree audit and file an Application for Graduation form after the completion of forty-five (45) semester credit hours toward a specific degree or at least fifteen (15) semester credit hours toward a certificate at Texas Southmost College. All candidates should list the catalog edition under which graduation is requested when completing the Application for Graduation form. One application is required for each degree or certificate requested.
Degree/Certificate Requirements
To be awarded an Associate Degree or Certificate students must:

- Complete all required courses and semester credit hours for the specific degree or certificate.
- Achieve a minimum cumulative GPA of 2.0 in all coursework completed at Texas Southmost College (excluding developmental-level coursework).
- Submit official transcripts of all coursework attempted at other colleges and universities.
- Earn a grade of “C” or better for all degree requirements for the technical program major in Associate of Applied Science Degree or Certificate programs.
- Earn at least 25% of degree hours required for graduation in residency at Texas Southmost College.
- Fulfill all Texas Success Initiative (TSI) requirements.
- Be in Good Academic Standing at the end of the term the student is receiving the award.

Catalog Requirements
Students may submit an Application for Graduation form under the degree requirements of Texas Southmost College’s:

- Current catalog, or
- Catalog in effect the date of first (1) enrollment at Texas Southmost College, as long as the student was in continual attendance (fall and spring) at Texas Southmost College.

Veterans must remain with the catalog of first (1) enrollment unless the change is approved by the Veterans Administration Office.

Students should refer to their degree plan to view and monitor their progress toward degree or certificate completion.

Deadlines
To be awarded a degree or certificate, students must apply for graduation by submitting an Application for Graduation form. Applications submitted after the deadline are processed with the next graduating class and diplomas/certificates reflect that date.

Commencement Exercises
All candidates for degrees and certificates are encouraged to participate in commencement exercises. Candidates need not be enrolled during the semester that the Application for Graduation form is submitted or during the semester in which the degree is conferred. For example, a fall graduate may elect to participate in the graduation ceremony the following May or a candidate for graduation may participate in the May graduation ceremony preceding Summer completion. Participation in the graduation ceremony, however, does not ensure automatic fulfillment of requirements or that a degree will be awarded.
Guarantee for Job Competency for Professional/Technical/Workplace Students

If an Associate of Applied Science (A.A.S.) graduate or Certificate completer, whose coursework began in the Fall 1993 semester or thereafter, is judged by an employer to be lacking in technical job skills identified as exit competencies for the specific degree or certificate program, the graduate will be provided up to nine (9) tuition-free semester credit hours of additional skill training by Texas Southmost College under the conditions of this policy. The guarantee does not imply that the graduate will pass any licensing or qualifying examination for a particular career.

Conditions applying to this guarantee policy:

- The graduate/completer must have earned the A.A.S. Degree or Certificate in a technical program published in the Catalog (or their addenda).

- The graduate/completer must have completed the A.A.S. Degree or Certificate with a majority (75%) of the credits being earned at Texas Southmost College within a four (4) year time span from initial enrollment. The last fifteen (15) semester credit hours MUST be completed at Texas Southmost College and must include the capstone course for the respective degree. For information on the capstone course, contact the respective academic department.

- The graduate/completer must be employed full-time in an area directly related to the area of program concentration as certified by Texas Southmost College.

- The graduate/completer must commence employment within six (6) months of graduation/completion.

- The employer must certify in writing that the employee is lacking entry-level skills which were identified as program exit competencies as approved by the program advisory committee. The employer must specify the areas of deficiency within ninety (90) days of the graduate’s/completer’s initial employment.

- The employer, graduate/completer, and representatives of Texas Southmost College will develop a written educational plan for retraining.

- Retraining will be limited to nine (9) credit hours related to the identified skill covered by the retraining plan.

- All retraining must be completed within one (1) calendar year from the time agreed upon for the educational plan.

- The graduate/completer and/or employer is responsible for the costs of books, insurance, uniforms, and/or other course-related expenses.

- The student’s sole remedy against Texas Southmost College and its employees for skill deficiencies shall be limited to nine (9) credit hours of tuition-free education under the conditions described above.
AA, AS, AAT Transferability
Texas Southmost College and senior colleges and universities work closely to ensure a smooth transition from Texas Southmost College to senior colleges’ baccalaureate degree programs.

During their enrollment at Texas Southmost College, students are advised to fulfill the lower-division requirements for college or university programs. Students wishing to transfer into a baccalaureate or professional degree program should obtain an undergraduate catalog of the university to which they plan to transfer and consult with a Texas Southmost College Advisor.

Texas Southmost College has established Articulation Agreements with a number of senior colleges and universities. These agreements describe partnerships to facilitate the transfer process and may include:

- Joint Admissions Agreements
- Transfer Plans
- Transfer Guides for Specific Majors
- Core Curriculum Equivalences
- Course Equivalency Tables
- Reverse Transfer Agreements

The agreements allow students to identify which courses may be taken at Texas Southmost College to complete freshman and sophomore requirements for a particular university degree program. Senior institutions generally will accept a maximum of sixty-six (66) transfer credit hours in lower-division general education and specific field of study curriculum courses.

Students are encouraged to visit the Texas Southmost College Office of Transfer, Career and Employment to find out which universities have these agreements and to gather information concerning institutions to which they intend to transfer, including university admissions requirements, degree program requirements, scholarships, housing, and university contact information. University admissions representatives and transfer advisors from select institutions are scheduled each semester to advise prospective transfer students at Texas Southmost College.

Reverse Transfer Degree
Students who transfer from Texas Southmost College to another Texas college or university may qualify for an Associate’s Degree. The Reverse Transfer Degree Program is designed for students who have accumulated 25% of the Associate degree (usually 15 credit college-level credit hours) at Texas Southmost College and who have subsequently completed the Texas Southmost College degree requirements at the transfer institution. Earned hours must include the courses required by the Texas Higher Education Act as set forth in Subchapter F, sections 51.301 and 51.302 (six [6] semester hours in U.S./Texas government and six [6] hours in U.S./Texas history).

Students seeking the Reverse Transfer Degree must:

- Submit a reverse transfer degree application for graduation to Texas Southmost College.
- Submit an official transcript from a public Texas college or university indicating the award of a baccalaureate degree.
Degree and Certificate Program Information

Program of Study
All programs of study can be found on the TSC website. Many programs of study follow a cohort sequence. It is recommended that students follow the sequence of courses.

Academic Transfer Programs
TSC offers three degrees for students whose goal is to transfer to an upper level college or university to complete a baccalaureate or higher degree:

Associate of Arts (AA)
The Associate of Arts degree normally requires at least two but less than four years of full-time equivalent college work in a grouping of courses designed to lead the TSC student to transfer to an upper-level baccalaureate program, or in some cases, directly to employment in a specific career.

Associate of Arts in Teaching (AAT)
The Associate of Arts in Teaching (AAT) degree is a Board-approved collegiate degree program consisting of lower-division courses that transfer to baccalaureate programs leading to initial Texas teacher certification. There are three AAT curricula which include 60 semester credit (SCH) hours of coursework. These three AATs can only be offered by Texas public community colleges, Lamar State College-Orange, and Lamar State College-Port Arthur, and are fully transferable to any Texas public university offering baccalaureate degree programs leading to initial teacher certification.

Associate of Science (AS)
The Associate of Science degree normally requires at least two but less than four years of full-time equivalent college work in a grouping of science-related courses designed to lead the TSC student to transfer to an upper-level science-related baccalaureate program, or in some cases, directly to employment in a specific career.

Academic Non-transfer Programs
In addition, degrees and certificates are offered in occupational/technical areas:

Associate of Applied Science (AAS)
Applied Associate Degree is a two-year program designed to lead TSC students to immediate employment and/or career advancement. The program is composed of an orderly, identifiable sequence of courses designed to meet specific occupational competencies and outcomes. It includes technical courses, general education courses, related instruction, and, as appropriate, elective courses to prepare students for employment as technicians or professionals.

Level 1 Certificate
A Level 1 Certificate is a workforce education program of study that consists of at least 15 and nor more than 42 semester credit hours. Level 1 certificate programs are exempt from the requirements of the Texas Success Initiative. At TSC, all students are required to take the Texas Success Initiative (TSI) assessment, regardless of declared program. For Level 1 Certificate programs, TSI scores will not inhibit a student’s admittance into a program; instead TSI will be used for diagnostic purposes.

Level 2 Certificate
A Level 2 Certificate is a workforce education program of study that consists of at least 30 and no more than 51 semester credit hours. Level 2 Certificates are subject to the requirements of the Texas Success Initiative.
Transfer to a College/University
Students attending Texas Southmost College for one or two years then transferring to a senior college or university should have no difficulty transferring credits if these steps are followed:

1. Select a major field of study at a senior college or university that offers a bachelor’s degree in that field.

2. Review the selected institution’s college catalog and identify the freshman and sophomore courses suggested.

3. See a TSC academic advisor for help in selecting the TSC courses that correspond to the requirements of the senior college.

4. Complete the TSC courses with a grade point average of at least 2.0.

5. Apply for admission to the senior college early in the last semester at TSC.

6. Request the TSC Office of Admissions and Records send an official transcript to the transfer institution.

Transfer of Credit, Core Curriculum and Field of Study Curricula Rules and Regulations
Texas Higher Education Coordinating Board Rules and Regulations concerning Transfer of Credit, Core Curriculum and Field of Study Curricula

Chapter 4: Rules Applying to all Public Institutions of Higher Education in Texas
Subchapter B. TRANSFER OF CREDIT, CORE CURRICULUM AND FIELD OF STUDY CURRICULAR

4.24 General Provisions
a) All successfully completed lower-division academic courses that are identified by the Texas Common Course Numbering System (TCCNS) and published in the Lower Division Academic Course Guide Manual (ACGM) shall be fully transferable among public institutions and shall be substituted for the equivalent course at the receiving institution. Except in the case of courses belonging to a Board-approved Field of Study Curriculum (FOSC), applicability of transferred courses to requirements for specific degree programs is determined by the receiving institution.

b) Nothing in this subchapter restricts the authority of an institution of higher education to adopt its own admission standards in compliance with this subchapter or its own grading policies so long as it treats transfer students and native students in the same manner.

c) Institutional policies regarding acceptance of credit for correspondence courses, credit-by-examination, and other credit-earning instruments must be consistent with Southern Association of Colleges and Schools’ guidelines and must treat transfer students and native students in the same manner.

d) This subchapter applies specifically to academic courses and degree programs, and does not apply to technical courses or technical degree programs.
4.25 Requirements and Limitations

a) Each institution of higher education shall identify in its undergraduate catalog each lower-division course that is substantially equivalent to an academic course listed in the current edition of the Lower Division Academic Course Guide Manual.

b) Each institution of higher education that offers lower-division courses must offer at least 45 semester credit hours of academic courses that are substantially equivalent to courses listed in the Lower Division Academic Course Guide Manual including those that fulfill the lower-division portion of the institution’s core curriculum.

c) All institutions of higher education must accept transfer of credit for successfully completed courses identified in subsections (a) and (b) of this section as applicable to an associate or baccalaureate degree in the same manner as credit awarded to non-transfer students in that degree program.

d) Each institution shall be required to accept in transfer into a baccalaureate degree program the number of lower-division semester credit hours (SCH) in the program which are required for their non-transfer students in that program; however,

1. No institution shall be required to accept in transfer more semester credit hours in the major area of a degree program than the number set out in any applicable Board-approved field of study curriculum for that program.

2. In any degree program for which there is no Board-approved field of study curriculum, no institution shall be required to accept in transfer more lower-division course credit in the major applicable to a baccalaureate degree than the institution allows their non-transfer students in that major.

3. An institution of higher education may deny the transfer of credit in courses with a grade of “D” as applicable to the student’s field of study curriculum courses, core curriculum courses, or major.

e) Each institution of higher education that admits undergraduate transfer students shall provide support services appropriate to meet the needs of transfer students. These support services should be comparable to those provided to non-transfer students regularly enrolled at the institution, including an orientation program similar to that provided for entering freshman enrollees.

f) No institution of higher education shall be required to accept in transfer, or apply toward a degree program, more than sixty-six (66) semester credit hours of lower-division academic credit. Institutions of higher education, however, may choose to accept additional semester credit hours.

g) Each institution of higher education shall permit a student who transfers from another Texas public institution of higher education to choose a catalog for the purpose of specifying graduation requirements, based upon the dates of attendance at the receiving institution and at the transferring institution, in the same manner that a non-transfer student may choose a catalog. Each Texas public institution of higher education shall include information about graduation requirements under a particular catalog in its official publications, including print and electronic catalogs.
4.26 Penalty for Noncompliance with Transfer Rules

If it is determined by the Board that an institution inappropriately or unnecessarily required a student to retake a course that is substantially equivalent to a course already taken at another institution, in violation of the provisions of §4.25 of this title (relating to Requirements and Limitations), formula funding for credit hours in the repeated course will be deducted from the institution's appropriation.

4.27 Resolution of Transfer Disputes for Lower-Division Courses

a) The following procedures shall be followed by institutions of higher education in the resolution of credit transfer disputes involving lower-division courses:

1. If an institution of higher education does not accept course credit earned by a student at another institution of higher education, the receiving institution shall give written notice to the student and to the sending institution that transfer of the course credit is denied, and shall include in that notice the reasons for denying the credit. Attached to the written notice shall be the procedures for resolution of transfer disputes for lower-division courses as outlined in this section, accompanied by clear instructions outlining the procedure for appealing the decision to the Commissioner.

2. A student who receives notice as specified in paragraph (1) of this subsection may dispute the denial of credit by contacting a designated official at either the sending or the receiving institution.

3. The two institutions and the student shall attempt to resolve the transfer of the course credit in accordance with Board rules and guidelines.

4. If the transfer dispute is not resolved to the satisfaction of the student or the sending institution within 45 days after the date the student received written notice of denial, the sending institution may notify the Commissioner in writing of the request for transfer dispute resolution, and the institution that denies the course credit for transfer shall notify the Commissioner in writing of its denial and the reasons for the denial.

b) The Commissioner or the Commissioner's designee shall make the final determination about a dispute concerning the transfer of course credit and give written notice of the determination to the involved student and institutions.

c) Each institution of higher education shall publish in its course catalogs the procedures specified in subsections (a), (b), (d), and (e) of this section.

d) The Board shall collect data on the types of transfer disputes that are reported and the disposition of each case that is considered by the Commissioner or the Commissioner's designee.

e) If a receiving institution has cause to believe that a course being presented by a student for transfer from another school is not of an acceptable level of quality, it should first contact the sending institution and attempt to resolve the problem. In the event that the two institutions are unable to come to a satisfactory resolution, the receiving institution may notify the Commissioner, who may investigate the course. If its quality is found to be unacceptable, the Board may discontinue funding for the course.
Core Curriculum

Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning. The Texas Core Curriculum not only provides a solid foundation for students' education, but it also makes transfer between college and universities as smooth and seamless as possible, each state-supported institution of higher education in Texas has adopted a core curriculum of 42 semester credit hours. By completing these core curriculum courses, students achieve college-level competence in the skills that are fundamental to all disciplines of learning:

1. Critical Thinking Skills - to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. Communication Skills - to include effective development, interpretation and expression of ideas through written, oral and visual communication
3. Empirical and Quantitative Skills - to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions
4. Teamwork - to include the ability to consider different points of view and to work effectively with others to support a shared purpose or goal
5. Personal Responsibility - to include the ability to connect choices, actions and consequences to ethical decision-making
6. Social Responsibility - to include intercultural competence, knowledge of civic responsibility, and the ability to engage effectively in regional, national, and global communities

Components of the core curriculum can be transferred in a block from Texas Southmost College to another Texas public college or university to be substituted for the corresponding core curriculum of the receiving institution.

TSC designates core curriculum courses completed by a student on the official transcript. If a student satisfies all component areas, the statement “Texas Core Curriculum Completed (Month/Year)” will appear on the transcript. Students who transfer without completing the core curriculum receive academic credit for each of the courses they successfully completed in the TSC core curriculum.

Texas Southmost College has established a 42 semester credit hour core curriculum.

</table>

For each undergraduate degree program, the College requires the successful completion of a general education component at the collegiate level. For degree completion in associate programs, the component constitutes a minimum of 15 semester hours or the equivalent for baccalaureate programs, a minimum of 30 semester hours or the equivalent. These credit hours are to be drawn from and include at least one course from each of the following areas: (Humanities/literature - Courses for Humanities can be selected from the language, Philosophy and Culture Category above); social behavioral sciences; and natural science/mathematics.
Field of Study Curricula
Field of Study Curricula (FOSCs) are approved by the Texas Higher Education Coordinating Board. FOSCs provide a statewide guarantee of transfer to any public college or university in Texas, and further promises that the courses in the approved FOSC will apply to the relevant degree program(s). FOSCs available at TSC include the following programs:

1. Business
2. Computer Science
3. Criminal Justice
4. Music
5. Nursing
6. Associate of Arts in Teaching

Degrees and Certificates Offered at TSC
Texas Southmost College offers Associate of Arts Degrees, Associate of Science Degrees, Associate of Arts in Teaching, Associate of Applied Science Degrees, and a number of different certificates of completion. TSC students have a choice of meeting the degree requirements as outlined in the College Catalog in effect when you first enrolled at TSC or you may choose to follow a degree plan from a later Catalog.

TSC students have five years from the date of Catalog year selected to complete their declared program of study. TSC students must be enrolled at TSC during the academic year covered by the catalog. If it takes longer than five years, a new degree plan must be selected by visiting academic advising. The new declared program of study must be on record in the Office of Enrollment and Admissions.

To be awarded an Associate Degree or Certificate, students must:

- Complete all required courses and semester credit hours for the specific degree or certificate.
- Achieve a minimum cumulative GPA of 2.0 in all coursework completed at Texas Southmost College (excluding developmental-level coursework).
- Submit official transcripts of all coursework attempted at other colleges and universities.
- Earn a grade of “C” or better for all degree requirements for the technical program major in Associate of Applied Science Degree or Certificate programs.
- Earn at least 25% of degree hours required for graduation in residency at Texas Southmost College.
- Fulfill all Texas Success Initiative (TSI) requirements.
- Be in Good Academic Standing at the end of the term the student is receiving the award.

TSC students must refer to the TSC website for Admission Requirements for individual programs.
**Associate of Arts**

Texas Southmost College offers Associates of Arts Degree is designed for students who plan to transfer to a four-year or upper-level college or university. This degree includes general education courses such as English, mathematics, history, and government, which are considered to be core requirements for most baccalaureate degree programs. The Associate of Arts Degree is composed of the Core Curriculum and additional hours in a study selected by the student.

Students are encouraged to complete the requirements of a degree at Texas Southmost College even if they are planning to transfer to another college or university to complete a baccalaureate degree. Completing an Associate’s Degree reflects commitment to a specific educational goal and success in meeting that goal. An Associate’s Degree is the minimum educational requirement for employment in certain positions in area businesses and industries.

Not all majors which are available at four-year or upper-level colleges and universities are available at Texas Southmost College; however, student may prepare to transfer to a particular program at an upper-level institution by completing the core requirements of the Associate of Arts Degree at Texas Southmost College and selecting other courses in a program of study. Those programs of study are available on the TSC website, listed in the catalog, and available the Academic Advising Center. Listed below are the Associate of Art Degrees available from which students may choose at Texas Southmost College.

The Core Curriculum consists of nine components. Courses chosen must satisfy at least the minimum required credit hours for each component. Students should consult the particular degree requirements for their major before selecting the courses to be used to meet the Core Curriculum requirements.

- Art
- Business
- Criminal Justice
- Forensic Investigation
- General Studies
- Science
- Social Work
- Spanish Translation

**Associate of Arts in Teaching**

The AAT Degree as defined by the Texas Higher Education Coordinating Board is fully transferrable to all Texas public universities. Because the AAT fulfills the requirements of the field of study curriculum statutes and Coordinating Board rules, all Texas public universities must accept the AAT curricula if they offer the applicable baccalaureate degrees leading to initial teacher certification.

While the AAT degree was designed for transfer purposes, for those students who decide to stop after completing the AAT, this degree meets the No Child Left Behind requirements for paraprofessionals. In addition, completion of the AAT may qualify students for work that requires at least an associate’s degree. A Bachelor’s Degree is required for Teacher Certification to be awarded.

Students are encouraged to complete the requirements of the AAT degree at Texas Southmost College before transferring to another college or university to complete a Baccalaureate Degree. Listed below are the options within the AAT Degree from which students may choose at Texas Southmost College.

The Core Curriculum consists of nine components. Courses chosen must satisfy at least the minimum required credit hours for each component. Students should consult the particular degree requirements for their major before selecting the courses to be used to meet the Core Curriculum requirements.

- Teaching - 4th through 8th Grade Teaching
- Teaching - 8th through 12th Grade Teaching
- Teaching - Early Childhood through 6th Grade Teaching
- Teaching – Human Performance Early Childhood-12th Grade Teaching
**Associate of Science**

Texas Southmost College offers Associates of Science Degrees, which are designed for students who plan to transfer to a four-year or upper-level college or university. This degree includes general education courses such as English, mathematics, history, and government, which are considered to be core requirements for most baccalaureate degree programs. The Associate of Science Degree is composed of the Core Curriculum and additional hours in a study selected by the student.

Students are encouraged to complete the requirements of a degree at Texas Southmost College even if they are planning to transfer to another college or university to complete a baccalaureate degree. Completing an Associate’s Degree reflects commitment to a specific educational goal and success in meeting that goal. An Associate’s Degree is the minimum educational requirement for employment in certain positions in area businesses and industries.

Not all majors which are available at four-year or upper-level colleges and universities are available at Texas Southmost College; however, student may prepare to transfer to a particular program at an upper-level institution by completing the core requirements of the Associate of Science Degree at Texas Southmost College and selecting other courses in a program of study. Those programs of study are available on the TSC website, listed in the catalog, and available the Academic Advising Center. Listed below are the Associate of Science Degrees available from which students may choose at Texas Southmost College.
