## **Workshop and Presentation Descriptions**

### **Classroom Media/Help Desk assistance: (Workshop)**

**Presenter: Mr. Emmanuel Carr**

Having trouble with working the media equipment in your classroom? Are you being asked technical questions by your students and not sure how to answer? Then, this session is for you. This presentation will provide an overview of classroom media equipment as well as various forms of Help Desk contact information and ready reference information.

### **How to Create and Use Rubrics to Assess Student Writing: (1 ½ Workshop)**

**Presenter: Mr. Robert Carlson**

Want to use more student writing in your courses, but aren't sure how easy or difficult it would be for you? Learn how to simplify grading and feedback with rubrics. Learn how to create and use rubrics with student writing. Bring your writing assignments or your ideas for writing assignments. Don't have any? We'll walk you through creating writing prompts that match your course requirements.

### **Turnitin now Feedback Studio: (50 minute Workshop)**

**Presenter: Mrs. Toni Saldivar**

You want to promote academic integrity in your classroom, as well as evaluate student work and provide feedback. This session is for you. This presentation will provide an overview of the new Turnitin Interface and its robust features.

### **Learning Studio Interface – Creating/Editing Units and Items (50 minute Workshop)**

**Presenter: Mr. Michael Doñes**

Learn how to navigate your course, as well as, create/edit Items and Units. Creating Items and Units will allow you to begin creating content in your courses. Learn how you can enrich student learning and raise student success through the content you create. For example, assignments, course calendar, quizzes, and additional resources. Feel free to bring any relevant resources you may have questions about adding to your course. (Syllabus, files, digital images, etc.

### **Learning Studio Tools – Dropbox and Doc Sharing (50 minute Workshop)**

**Presenter: Mr. Michael Doñes**

Learn about two Learning Studio tools that you can start utilizing in your courses. This session will cover the Dropbox and Doc Sharing tool. The Dropbox provides a central location where you and your students can submit and retrieve assignments and graded activities. The Doc Sharing tool can be used as a central location to share documents (powerpoints, notes, studyguides, etc.) with your students.

### **Microsoft-Surface in the Classroom: (50 minute Presentation)**

**Presenter: Mr. Abraham Jimenez**

Join us for this session to discover several features that may fit your teaching style. We will cover a brief over view of how you can incorporate the Microsoft surface into your lectures.

### **Respondus: (50 minute Presentation)**

**Presenter: Mrs. Toni Saldivar**

Learn about a powerful tool for creating and managing exams that can be printed or published directly to Learning Studio and other Learning Management Systems.

### **Teaching Compassion to Nursing Students (50 minute Presentation)**

**Presenter: Mr. Tony Cortez**

The session will explain the process of teaching the nursing student compassion and the components included in this experience. This is a clinical experience.
