

Bacterial Meningitis Online Enrollment Only Exemption Request

Texas Southmost College requires that all new and returning students under the age of 30 show proof of completed vaccination against Bacterial Meningitis.

Because Bacterial Meningitis is a serious and potentially deadly disease, applicants should consult a physician about immunizing to prevent the disease.

By signing this form, you are stating that you have no intention of physically accessing TSC property and will remain in an online program for the duration of your time with us. You are also stating that if there are any changes to your status that you will adhere to the necessary requirements set by the state and complete the required vaccination.

I, _____, am enrolled only in online courses with Texas Southmost College. I will not physically access TSC property. If there are any changes that require that I come to campus, I will complete the necessary vaccination requirements.

TSC ID# _____

Date of Birth _____

Student Signature _____

Date _____
