- Applicants must be U.S. citizens or eligible non-citizens.
- Applicants must have a valid Social Security Number.
- Applicant must not be in default on any prior student loan or owe an overpayment on any Title IV financial aid.

☐ FSA ID (username and password)
Effective May 10, 2015 the U.S. Department of Education will implement a new login process to access Federal Student Aid’s web-based systems, including FAFSA on the Web, NSLDS® Student Access, StudentLoans.gov, StudentAid.gov, and the TEACH Grant website. Users will be prompted to enter their new FSA ID, which will consist of a user-selected username and password. The new FSA ID will replace the Federal Student Aid PIN as the process by which students, parents, and borrowers will be able to authenticate their identity to access their federal student aid information. FAFSA on the Web will be updated to require users to authenticate with the FSA ID rather than the PIN.

After implementation on May 10, 2015, users who arrive at impacted websites will be directed to a link to register for their new FSA ID.

Students who already have a FAFSA PIN will have the option to link that PIN to their new FSA ID. By linking to a “matched” PIN, the user will be able to immediately use the FSA ID with the websites mentioned above. If an individual does not link to a “matched” PIN during the FSA ID registration process, they will have limited use of the FSA ID until the Social Security Administration confirms their personal identifiers. This process could take up to three days.

MAINTAINING FINANCIAL AID ELIGIBILITY/SATISFACTORY ACADEMIC PROGRESS
In order to receive Title IV funds, students must meet the following minimum requirements:
- Grade Point Average - Minimum 2.0 Cumulative GPA
- Completion Rate - Maintain a minimum 70% completion rate
- Timeframe to Complete Academic Program – this measure limits the number of hours required for a degree. The maximum is 150% of the required credits to complete the student’s program of study.

WITHDRAWING/DROPPING COURSES
When a federal Title IV grant or loan is disbursed, and the student does not complete the enrollment period, the law requires that TSC calculates the amount that must be returned by the school. Check with the Financial Aid Office before you decide to withdraw or drop a course. Note that this may also affect your financial aid SAP status calculation.
