How to Connect to eduroam

1. Select eduroam from the WIFI menu bar item.

2. When prompted, enter:
   - **Username**: Your email address, for example username@tsc.edu for Faculty/Staff or username@student.tsc.edu for students.
   - **Password**: Your email password.
3. Click Join.
4. When prompted to examine the server's certificate, click **Continue**.

5. If prompted, enter your OS X admin username and password to apply the changes.
