

**General Studies
Associate of Arts**

Texas Southmost College
Division of Humanities

The Texas Higher Education Coordinating Board adopted requirements for a 42-hour core curriculum. Students pursuing an Associate of Arts, Associate of Science or an Associate of Fine Arts degree are required to complete these curriculum requirements. The Core Curriculum is designed to provide the skills and knowledge necessary for an educated person to read, write and speak effectively; to use mathematics competently, to exercise critical thinking skills; and to promote a lifestyle of sound well-being. It equips students with the ability to listen and respond to differing views and to work with others to seek, analyze and use information in completing tasks and solving problems. A student who completes the 42-hour Core Curriculum at Texas Southmost College may transfer the block of courses to any other Texas public college or public university. That college or university must count it for their Core Curriculum. The student will receive credit for each of the courses transferred. Although Core Curriculum requirements are satisfied, some courses in the Core may not apply to a degree plan at the receiving college or university.

FIRST YEAR - FALL SEMESTER	CREDIT HOURS
ENGL 1301 ⁺ Composition I	3
XXXX X3XX ⁺ Mathematics	3
HIST 1301 United States History I.....	3
XXXX X3XX ⁴ Component Area Option	3
XXXX X3XX Elective.....	3
