

**Emergency Medical Science
(Certificate – Level 2)
Pending Approval
Texas Southmost College
Health Care, Career and Technical Education Division**

Traditionally, Emergency Medical Science (EMS) personnel work on ambulances as part of EMS services. However, the field is versatile, since Paramedics possess a unique set of skills. Emergency medical facilities hire Emergency Medical Technicians and Paramedics as emergency room technicians; plasma donation centers hire them as medical screeners; law enforcement agencies hire them as tactical medics with SWAT teams; oil platforms hire them as safety officers; critical care transport companies utilize them as flight medics and fire departments frequently utilize them as fire medics.
