1. Call to Order

The meeting was called to order by Chairman Rendon at 5:34 p.m.

2. Speakers to Agenda Items and Public Discussion

There were no speakers.

3. Mission Statement

Chairman Rendon read the existing mission for Texas Southmost College District as follows:

“Transforming our communities through innovative learning opportunities”

4. Update on the Progress of the University of Texas Rio Grande Valley

Chairman Rendon called on Dr. Tercero to present the item. Dr. Tercero called on Dr. Guy Bailey, President of the University of Texas Rio Grande Valley (UTRGV), to give the update on the progress for UTRGV. Dr. Bailey discussed the progress on students, faculty, and staff and the opportunities the Rio Grande Valley will have with the new University.
5. President’s Report

Chairman Rendon called on Dr. Tercero to give the report. Dr. Tercero reported on the new hires of faculty and staff members: Antonio Guevara, Director of Facilities & Physical Plant; Jeffery A. Jens, Conflict Resolution Specialist; Armando Garcia, Building Maintenance Supervisor; Raul Hernandez, Building Maintenance Supervisor; John Lynch, Adjunct Instructor, Continuing Education Hydraulics and Pneumatics; Jose Arambul, Jr., Early College High School Liaison; and Janie Cruz-Urena, Child Center Cook.

Dr. Tercero stated that she has been appointed to the Texas Association of Community College (TACC) eLearning Committee. This group provides input, recommendations and policy guidance on the issues relating to the applied technology in higher education.

Dr. Tercero reported on the TSC Accreditation process. Dr. Tercero stated that the TSC’s application for membership to the Southern Association of Colleges and Schools Commission on Colleges has been reviewed and an on-site visit has been approved. She said the next major steps include submission of the Compliance Certification Report; the appointment of a visiting committee by the SACSCOC staff; and an on-site visit to the College by the appointed visiting committee. The SACSCOC staff member assigned to TSC will be contacting TSC early next year to begin identifying dates for visits and activities relating to the process.

Dr. Tercero reported on the College’s grant activities. She reported that the process undertaken to reopen TSC has been challenging and difficult. However, TSC successfully opened its doors and just completed the first year of operation. Even with all the challenges TSC has experienced, along with the extensive work relating to the College’s accreditation process, TSC has received over $1.6 million in grant funds. This is an outstanding effort by the institution, given all the other important and vital efforts that have been underway simultaneously at TSC. She called on Mr. Chet Lewis, Vice President of Finance and Administration, to provide an overview on the grants awarded to TSC.

Dr. Tercero reported on the Annual Licensure Report. She stated that community colleges report licensure rates annually to the state for career and technical associate degree programs leading to professions requiring licensure or certification. Information has been placed in the board packet for report years 2011 (FY2010-2011) and 2012 (FY2011-2012) and 2013 (FY2012-2013). She stated that it is important to note that these reports were prepared by UTB, given that the UTB-TSC Partnership had administrative oversight of all programs up to August 31, 2013. As part of the transition, TSC inherited existing student cohorts from the UTB-TSC Partnership when TSC opened its doors in the fall of 2013. She reported that the first TSC cohort will graduate Spring 2015; therefore, TSC will not report its own numbers until fall 2015. Staff will bring this information to the Board when the information is available. These reports are normally submitted in the November timeframe and they are not posted until the following year—that is
why the latest report is 2013. She called on Dr. Marti Flores, Vice President of Instruction, to further explain the reports.

Dr. Tercero announced that the College will be closed for Winter Break from December 22 — January 2 and offices will open for the spring semester on Monday, January 5. She announced the following: Brownsville Day at the Texas Capitol, Wednesday, January 28, 2015; Community College Day at the Texas Capitol, Tuesday, February 3, 2015 — TSC will be taking students for the first time so that they may experience the legislative process and share their community college experience with Legislatures; and the 2015 CCATT Annual Conference is, Saturday, June 6, 2015, San Antonio, TX.
