# Counseling and Student Accessibility Resources

“Transforming our  
Communities through  
Innovative Learning  
Opportunities”

## Welcome

“The Office of Counseling and Student Accessibility Resources is committed to providing support and equal access to every student. Our focus is to promote personal growth and development, while fostering independence and self-advocacy .“

## How to Initiate Services

To request a service you may call or go by the office to set up an appointment. Intake appointments for counseling or accessibility resources are usually one hour. For accessibility resources it is best to bring in your documentation during the intake appointment, Accommodations can take two to four weeks to process, depending on request.

## Counseling Services
