

Foreign Credential Evaluation Services

Transfer credits are accepted from recognized, accredited colleges and universities.

However, if an accepted transfer student feels that he or she should be awarded credit from a previously attended institution, the student has the opportunity to request a petition for that course's credit by completing a Transfer Credit Petition Form and providing the course by course Evaluation. Transfer Credit Petition form may be picked up at the Admissions and Records Office. Form needs to be taken to Academic Advising for s signature and submitted back to Admissions and Records for process.

For admission, all foreign transcripts must be translated into English by a member of the American Translators Association. Students seeking transfer credit from foreign institutions must submit the official transcript evaluated by a member of the **National Association of Credential Evaluation Services (NACES)**.

Please note: Some evaluation services require translation from a specific translation service.

*A **General Evaluation and Translation** is required to clear the admission status.
