Who Must Submit This Form

A borrower (1) whom the National Loan Data System (NSLDS) indicates has one or more student loans discharged because of a total and permanent disability, and (2) who previously submitted a **Physician’s Certification of Borrower’s Ability to Engage in Substantial Gainful Activity** form must submit this form. The form must be submitted **before** he/she can receive additional federal student loans. **A Borrowers Acknowledgment of ineligibility for Cancellation of Loans** must be completed each time the borrower receives a new loan.

Submission of this acknowledgement form will allow the borrower to secure additional loan(s) under one or more of the following Federal Direct Loans Program: Stafford Loans (subsidized and unsubsidized). PLUS, Loans for Undergraduate Students, PLUS Loans for Graduate Students, Consolidation Loans.

The Purpose of This Form

The form is used to obtain a borrower’s acknowledgment that any federal student loans received as a result of a physician’s certification of his/her ability to engage in substantial gainful activity cannot be cancelled based on any present impairment or condition, unless that impairment or condition substantially deteriorates to the extent that the definition of total and permanent disability is met.

Definition of Total and Permanent Disability

To be totally and permanently disabled the borrower must be unable to work and earn money or attend school because of an injury or illness that is expected to continue indefinitely or result in death.

This definition calls for judgment decision by a physician (a Doctor of Medicine or Doctor of Osteopathy legally authorized to practice in his/her state) as to the borrower’s ability to earn income despite his or her disability. If the disability appears to have a significant adverse effect the borrower’s earning potential, not only in the type of work performed before the impairment but for any substantial gainful employment, and the disability is expected to last for a lone and indefinite period of time, then the borrower shall be considered permanently disabled under this definition.
