

**Paralegal Studies
Associate of Applied Science**

Texas Southmost College
Health Care, Career and Technical Education Division

A degree in paralegal studies prepares a student for work in many areas of both the legal and business fields. Commonly students with a degree in paralegal studies work as paralegals and support staff for a law firm, government or corporation. As the law and its implications touch on all aspects of our daily life, a legal studies degree can prepare you for a career of your choice, pairing your legal skills with your specific passion to create exciting opportunities.
