Technology
Associate of Science

Texas Southmost College
Science, Technology, Engineering & Mathematics Division

The Associate of Science in Technology degree allows individuals who have certificates in technical programs or technical courses from more than one area an opportunity to earn an Associate's degree. As a result, an individual will be able to continue their studies in a Bachelor of Applied Technology (BAT) or Bachelor of Applied Arts and Sciences (BAAS) program.

A. GENERAL EDUCATION CORE[+] - 42 Hours
Students seeking the Associate of Science in Technology must fulfill the General Education Core requirements. For any additional information, please contact the Academic Advising Center.

B. TECHNICAL COURSES - 18 Hours

TOTAL CREDIT HOURS FOR GRADUATION - 60

[+] A Grade of "C" or better is required in ENGL 1301 and MATH 1314 for graduation.

TSI Requirement (Texas Success Initiative - any other State-approved test) - Student must pass all three sections of State-approved test to graduate with this degree.
