

**Child Care and Development  
Associate of Applied Science**

Texas Southmost College  
Division of Humanities

The Child Development Early Childhood (CDEC) program is designed to provide instruction and field experience necessary for successful care and guidance of young children from birth to five years of age. Emphasis is on the importance and need for early childhood education and quality care of our children. Students completing the CDEC program are prepared to work with children in child care centers, preschools, family care homes, Head Start and early intervention programs.
