

**Auto Mechanics Technology – Line Specialist  
Certificate of Proficiency – Level One**

Texas Southmost College  
Division of Science, Technology, Engineering & Technology

The Auto Mechanics Technology Certificate Program prepares students for positions in the automotive industry by providing hands-on training specializing in auto mechanic practices, equipment and tools, vehicle subsystems, and auto mechanic maintenance. Upon completion of this certificate, the student should be able to enter the automotive industry as a C maintenance technician.

<b>FIRST YEAR – FALL SEMESTER</b>	<b>Credit Hours</b>
AUMT 1305 Introduction to Automotive Technology .....	3
AUMT 1407 Automotive Electrical Systems .....	4
