

**Certified Nursing Assistant  
Certificate of Completion**

Texas Southmost College  
Workforce Training and Continuing Education

The six-week non-credit Certified Nursing Assistant (CNA) Program leads to an industry credential. The CNA program provides students with the knowledge, skills, and abilities essential to provide basic care to residents of long-term care facilities. Topics include resident's rights, communication, safety, observation, reporting and assisting residents in maintaining basic comfort and safety. There is an emphasis on effective interaction with members of the health care team, restorative services, mental health, and social services needs.
