This information is provided as an example only. You will develop a personalized plan with your Success Coach and faculty advisor/mentor that reflects your goals and interests. You are required to meet with an advisor each semester to ensure you are on track for graduation. This document does not contain all the information you need to stay on track for graduation.

Program Student Learning Outcomes

Program Student Learning Outcomes (PSLO) are statements that specify what students will know, be able to do or be able to demonstrate when they have completed the program.

1. A certificate in Medical Billing and Coding will prepare students for entry level positions in physician's offices, clinics, hospitals, and other outpatient settings.

A minimum grade of "C" must be obtained in each POFM, HITT, and MDCA course required in the certificate plan.
