EDUC 2301* Introduction to Special Populations	3	Spring/Year 2
Total Credit Hours for Graduation	60	

Program Student Learning Outcomes

Program Student Learning Outcomes (PSLO) are statements that specify what students will know, be able to do or be able to demonstrate when they have completed the program.

1. Graduates of the Associate of Arts in Teaching program will analyze their insights and observations in writing from their 32 hours of documented field experience observing diverse learners in P-12 school settings.
2. Graduates of the Associate of Arts in Teaching program will apply methods for facilitating learning among a diverse student population in a variety of educational scenarios.
3. Graduates of the Associate of Arts in Teaching program will analyze and discuss the impact of factors such as language dominance, gender, socioeconomic status, ethnicity, learning style, and disabilities on learning.

*Grade of "C" or better is required for graduation.

†Students may take any course within this category of the TSC General Education Core Curriculum.

‡Courses must be taken in sequence: United States History I and United States History II or Mexican American History I and Mexican American History II.

This information is provided as an example only. You will develop a personalized plan with your Success Coach and faculty advisor/mentor that reflects your goals and interests. You are required to meet with an advisor each semester to ensure you are on track for graduation. This document does not contain all the information you need to stay on track for graduation.
