## Program Student Learning Outcomes

Program Student Learning Outcomes (PSLO) are statements that specify what students will know, be able to do or be able to demonstrate when they have completed the program.

1. Graduates will demonstrate an ability to apply critical thinking skills, to include creative thinking, innovation, inquiry, and the analysis, evaluation, and synthesis of information to solve problems.
2. Graduates will demonstrate an ability to effectively communicate information, by verbal, visual, or written means.
3. Graduates will demonstrate an ability to apply empirical and quantitative skills, to include applications of scientific and mathematical concepts, as appropriate, to solve problems.
4. Graduates will demonstrate an ability to consider different points of view and to work effectively with others to support a shared purpose or goal.
5. Graduates will demonstrate intercultural competency, civic knowledge, and the ability to engage effectively in regional, national, and global communities.
6. Graduates will demonstrate personal responsibility to connect choices, actions, and consequences to ethical decision-making.

This information is provided as an example only. You will develop a personalized plan with your Success Coach and faculty advisor/mentor that reflects your goals and interests. You are required to meet with an advisor each semester to ensure you are on track for graduation. This document does not contain all the information you need to stay on track for graduation.
