

# Peace Officer Certification Continuing Education Certificate

2024-2025  
CECT1.CPOC

Texas Southmost College  
Workforce Training and Continuing Education

Students will learn to demonstrate the role and function of a Texas Peace Officer. Upon completion of this program, students will identify, analyze, and resolve law enforcement issues, problems, and concerns. Additionally, successful students will receive endorsement as eligible candidates for the Texas Peace Officer Licensing exam. Texas Southmost College, certified by the Texas Commission on Law Enforcement as a Police Training Academy, offers the six-month Basic Peace Officer Certification Program, preparing prospective peace officers through mandated Texas Commission on Law Enforcement (TCOLE) course curriculum.
