

# Additional Fitness Floor Guidelines

Wipe down equipment before and after each use. There are cleaning stations located throughout the facility with disinfectant spray and paper towels.

Keep a safe distance between you and other members (minimum 10 ft.).

Several machines are closed to practice social distance. Please refrain from using. Your safety is our top priority.

Face mask and full length gloves are required at all times.

**Any individual not fully complying with guidelines may be asked to vacate the premises. Failure to comply with the guidelines may result in membership suspension with no fee refund.**
